## ART ELECTIVES (9 units):

There are 3 classes or 9 units of Art Electives that student must take to fulfill a Bachelor's degree graduation requirement. Art Elective courses are studio classes where students receive direct hands on experience. Students choose Art Elective classes that are of interest to them and don't necessarily have to be related to your major. Some examples of Art Elective courses are Introduction to Ceramics, Introduction to Photography, Introduction to Graphic Design etc.

\*Please note: The Liberal Arts courses listed represent some of the most popular classes that students can transfer into the Academy of Art University. Not all of these classes are a requirement for all programs of study.

Interested transfer students should consult the Academy of Art University catalog as well as an Admissions Representative at the Academy of Art University for necessary curriculum requirements, as course requirements may change after printing of the catalog.
