CAMPUS RECREATION & WELLNESS
INDIAN STUDENT ASSOCIATION

DESCRIPTION
The Indian Student Association (ISA) aims at creating a home away from home feeling for Indian students and those who appreciate Indian culture at Academy of Art University through cultural celebrations and interactive meetings. We intend to build a helpful nexus of Indian and non-Indian students within which all members can find the answers to their academic and non-academic problems and share the joy of similar or diverse cultural backgrounds.

BENEFITS
ISA is a group of students who truly care about all aspects of the college experience. Join our network for help finding housing, picking classes, our meeting friends. Together we can build an international network of budding professionals who are excited about helping one another and remaining in touch after our time here at Academy of Art University.

COST
There is no membership fee to join the Indian Student Association! Come join us!

LOCATION
Most club meetings are held in the homes of our very own club members. Look for our advertisements on the screens, elevators and Facebook for up-to-date information on all upcoming events.
