DESCRIPTION
Kappa Sigma’s main objective is based on building a better man, while encouraging him to participate in as many other campus organizations that he may choose. More specifically, Kappa Sigma looks to provide the opportunity for the male student to enhance his fellowship circle, leadership skills, scholastic involvement, and service contribution to the local community.

BENEFITS
Since its founding at the University of Virginia on December 10, 1869, Kappa Sigma has initiated more than 245,000 men throughout the United States and Canada. Our proud history of producing campus leaders who go on to succeed in business, government, the armed services, sports, entertainment and the arts has led to Kappa Sigma’s continuous and unparalleled growth across the continent.

COST
During the pledge period, there are two necessary fees that must be paid:
- Pledging Fee
- Initiation Fee
All other fees and dues will be determined by the chapter on a need basis.
