OUTLOUD!

DESCRIPTION
LIVE LIFE OUTLOUD! OutLoud is a social advocacy club for AAU’s queer community. It is a place to connect our diverse community to opportunities, resources, and to each other to achieve a vision of a stronger, healthier, and more equitable place for queer people and our allies by organizing events, celebrating our history and culture, and building resources to create a legacy for our current and future students. OutLoud strives to serve the full spectrum of lesbian, gay, bisexual, transgender, and queer communities, working to create a safe environment for everyone.

BENEFITS
We are here to empower and unite queer students and allies through advocacy and support. OutLoud not only provides a fun, safe environment to organize events and address queer issues, but also a place to meet a diverse group of people and make new friends. Learn and participate in our club activities and events such as game nights, movie nights, outings, SF Pride, LGBTQ conferences, volunteer opportunities and much more.

COST
OutLoud is free to join, but there may be additional fees for club t-shirts and special events. OutLoud plans on participating in the San Francisco Pride Parade and hosting/attending other special events.

LOCATION
OutLoud meets weekly at the Urban Knights Art Cafe at 655 1/2 Sutter Street. The introductory meeting will be held on Monday, February 11th in the downstairs entry level of the Art Cafe. Future meeting dates will be announced at the meeting and posted on the facebook group page.
