FINANCIAL AID & TUITION

FINANCIAL AID

Financial Aid staff is available to:

- Provide information on Financial Aid resources
- Assist in filing Financial Aid applications

Financial Aid programs, procedures and eligibility requirements change frequently. Students are encouraged to contact the Financial Aid Office for current requirements.

NOTE: The Department of Education prohibits students from receiving Federal Financial Aid at different colleges for the same academic term. For example, if a student receives the full annual Stafford loan limits for the 2017-2018 academic year at another institution, the student cannot receive a Stafford loan for the same time period at Academy of Art University.

NOTE: Academy of art university Financial Aid packet must be completed yearly and submitted to the Financial Aid Office.

FINANCIAL AID AWARD LETTERS

Approximately 2 to 3 weeks after the FAFSA is completed and Academy of Art University Financial Aid application is submitted, an award letter will be mailed to the student indicating what the student is eligible for, along with instructions on how to complete the Federal Direct Student loan promissory note electronically. Signed award letters must be returned to the Financial Aid Office or completed on the online Learning Management System (LMS).

Students selected for verification by the Department of Education must submit additional documents (required tax documents, verification worksheet, etc.) to the Financial Aid Office.

SCHOOL ID NUMBER

The Federal School ID number (also known as a Title IV Institution Code) is assigned to each college or university for the purposes of applying Federal Financial Aid through FAFSA (Free Application for Federal Student Aid).

UNDERGRADUATE

How do I apply for Federal financial aid?

The US federal government provides financial aid options to students through either federal grants, federal loans or both to help you cover your educational costs. To begin the federal financial aid process, please view our guide to 5 Steps for Completing your Federal Financial Aid. For assistance with understanding the FAFSA process and for help completing your application, please contact a financial aid representative.

Follow these five simple steps to get started

STEP 1: Apply for admission to Academy of Art University

To process your financial aid, first apply to Academy of Art University and provide your social security number on your admissions application.

STEP 2: File a Free Application For Federal Student Aid (FAFSA)

Complete the FAFSA online at fafsa.gov and use Academy of Art University’s Federal School ID Number: 007531

STEP 3: Get started on your financial aid plan

All students should meet with our Financial Aid Office to review their financial options. Contact the office today at 1-415-618-6190 to schedule your discussion.
STEP 4: Accept or Decline Your Financial Aid Rewards (Receive Your Financial Aid Award Letter)

You will receive an award letter via Academy E-mail indicating the amount and types of aid you are eligible to receive based on a full time enrollment assumption. You must accept or decline these awards.

STEP 5: Manage Your Financial Aid Award Disbursements

What types of State and Federal Financial Aid are available?

Cal Grant: Gift aid for California students that does not have to be paid back
- The California Student Aid Commission makes new awards to eligible undergraduate students (based on financial need and GPA) who are California residents, who are enrolled in a minimum of six units, and who meet the application-filing deadline of March 2 (California Grants A and B.) These grants are renewable.
- Please visit the Cal Grant website for more information at www.csac.ca.gov.
- If you attended an out-of-state high school and are now a resident of the state of California and wish to be considered for a Cal Grant award, please complete the Cal Grant GPA Verification Form and submit it to the Office of the Registrar (Registrar@academyart.edu) before the application-filing deadline of March 2.

PELL Grant: Gift aid that does not have to be paid back
- Awarded to eligible undergraduate students (first AA/BA/BS/BFA) and eligible education certificate candidates

Federal Supplemental Educational Opportunity Grant (SEOG): Gift aid that does not have to be paid back
- Awarded to eligible undergraduate students with exceptional financial need.

Federal Work Study: Financial Aid earned while working.
- Federal Work Study (FWS) is a federally funded program that provides students financial assistance that will not have to be paid back. FWS is different from other types of financial aid because you do not receive funds until you locate a job and begin working. The amount you earn is dependent upon the job you obtain and the number of hours you work. One main advantage of FWS employment is that when you apply for future financial aid, your FWS earnings are not included as a financial resource.

Direct Stafford Loans: Loans from the government that must be paid back.
- Subsidized loans are available to students with financial need. No interest is charged on a subsidized loan while the student is in school. Unsubsidized loans are available to all students regardless of income, less any subsidized amount received. Students are responsible for the interest that will accrue on an unsubsidized loan while in school. Additional information about repayment, deferment and consolidation of these loans can be found at the Direct Loans web site.

Direct Parent Plus Loans: Loans that are taken out by parents of dependent students that must be paid back.
- Federal Direct PLUS Loans are available to parents and stepparents of dependent students. Borrowers must meet credit history and debt burden requirements. Repayment is amortized over 10 years.

Direct Graduate Plus Loans: Loans that are taken out by graduate students and must be paid back.
- Federal Direct Graduate PLUS Loans are available to eligible students in a graduate or degree or certificate program. Borrowers must meet credit history and debt burden requirements.

When should I expect an awards letter?

The Financial Aid Office will send you a postcard and email when your awards are ready to view. Instructions and forms will be provided on the postcard and email. If you have applied to the University and submitted your FAFSA but did not receive a postcard or email, please contact our office:
Phone: 1-415-618-6190
Email: FinancialAid@academyart.edu
How does a parent apply for the Direct PLUS Loan?

- A parent must log on to https://studentloans.gov using their own information and FSA ID. Click Request a Direct PLUS Loan and select Parent PLUS. Complete the borrower information, student information and loan information. Lastly, review and submit for credit check.
- What is a Direct Parent PLUS Loan? The loan is money that can be used to pay a dependent student’s educational costs including tuition, fees, housing, transportation, supplies, etc.
- Who can apply for the Direct Parent PLUS Loan? A parent or step-parent of a dependent student.
- Why is there a credit check? Direct Loans checks for adverse credit including bankruptcy, repossession, foreclosure, wage garnishment, defaulted loan, etc. Direct Loans is not checking income ratio, credit score, employment status or lack of credit. You will be presented with options if the credit is denied.

Who is BankMobile and why are they sending me a green envelope with a personal code?

Academy of Art University has partnered with BankMobile Disbursements, a financial services company, to provide students with electronic options for refunds. BankMobile is committed to transparently providing students with refund choices.

How do I submit my financial aid paperwork?

Some forms can be submitted by logging into Student Self Service at https://sss.academyart.edu. Forms that cannot be submitted online can be submitted several ways:

Fax: 1-415-618-6273

Email: FinancialAid@academyart.edu

In person:
150 Hayes Street, 4th Floor
San Francisco, CA

Mail:
Academy of Art University
Attn: Financial Aid Department
79 New Montgomery St., San Francisco, CA 94105

My financial aid does not cover my tuition. What should I do?

Academy of Art University awards students the maximum allowed by federal regulations (except for limited SEOG funds). If your award does not cover your tuition balance you can either:

- Pay the difference by tuition deadline.
- Sign up for the interest free four month payment plan (fall and spring semesters only).
- Apply for a private educational loan. A credit check is required and a cosigner may be required.

Refund policy for students that signed a new enrollment agreement for any semester after the Spring 2016 semester (Summer 2016 and after)

You may withdraw from the University at any time after the cancellation period (described above) and receive a prorata refund if you have completed 60 percent or less of the scheduled weeks in the current payment period in your program through the last day of attendance. The refund will be less an administrative fee (application, enrollment and registration fees) not to exceed $250.00, within 45 days of withdrawal. If the student has completed more than 60% of the period of attendance for which the student was charged, the tuition is considered earned and the student will receive no refund.

For the purpose of determining the amount of the refund, the date of the student’s withdrawal shall be deemed the last date of recorded attendance. The amount owed equals the weekly charge for the program (total institutional charge, minus non-refundable fees, divided by the number of weeks in the term), multiplied by the number of weeks scheduled to attend, prior to withdrawal.

Review Drop & Withdrawal Policies for an explanation of administrative grades associated with dropped courses.

FINANCIAL AID: RETURN OF TITLE IV FUNDS

The Higher Education Amendments of 1998, Public Law 105-244, changed the way financial aid funds are paid toward a student’s education and handled when a recipient of financial aid withdraws from school. The new requirements (effective for students receiving Title IV Federal Financial Aid who withdraw from school on or after October 7, 2000) are used to determine the amount of Title IV Financial Aid a student has earned when he or she withdraws from school. For more information, come by the Financial Aid Office and pick up a copy of the form titled “Treatment of Title IV aid when a Student Withdraws” or go to:
www.academyart.edu > Disclosures > Treatment of Title IV Aid When a Student Withdraws
FINANCIAL AID: REFUNDS

Students who have paid tuition with any source of financial aid will be refunded based on a distribution formula established by federal regulations.

Required refunds are made in the following sequence:

1. Unsubsidized Federal Stafford Loans
2. Subsidized Federal Stafford Loans
3. Federal Graduate Plus Loans
4. Federal Parent Plus Loans
5. Federal Pell Grants
6. Federal SEOG
7. Other Federal, State and Private financial assistance
8. Student

If a student receives a loan to pay for the educational program, the student will have the responsibility to repay the full amount of the loan plus interest, less the amount of any refund.

NOTE: If a credit balance exists after all Federal programs have been properly refunded it will first be applied to any Academy of Art University scholarships including Athletic, Summer Portfolio and VA Yellow Ribbon Scholarships.

IOWA STUDENTS ONLY

If, at any time, an Iowa student terminates a program due to the student's physical incapacity or, for a program that requires classroom instruction, due to the transfer of the student's spouse's employment to another city, the terminating student shall receive a refund of tuition charges in an amount that equals the amount of tuition charged to the student multiplied by the ratio of the remaining number of calendar days in the school period to the total number of calendar days in the school period.

STUDENT TUITION RECOVERY FUND

The State of California established the Student Tuition Recovery Fund (STRF) to relieve or mitigate economic loss suffered by a student in an educational program at a qualifying institution, who is or was a California resident while enrolled, or was enrolled in a residency program, if the student enrolled in the institution, prepaid tuition, and suffered an economic loss. Unless relieved of the obligation to do so, you must pay the state-imposed assessment for the STRF, or it must be paid on your behalf, if you are a student in an educational program, who is a California resident, or are enrolled in a residency program, and prepay all or part of your tuition.

You are not eligible for protection from the STRF and you are not required to pay the STRF assessment, if you are not a California resident, or are not enrolled in a residency program.

It is important that you keep copies of your enrollment agreement, financial aid documents, receipts, or any other information that documents the amount paid to the school. Questions regarding the STRF may be directed to the Bureau for Private Postsecondary Education, 2535 Capitol Oaks Drive, Suite 400, Sacramento, CA 95833, (916) 431-6959 or (888) 370-7589.

To be eligible for STRF, you must be a California resident or are enrolled in a residency program, prepaid tuition, paid or deemed to have paid the STRF assessment, and suffered an economic loss as a result of any of the following:

1. The institution, a location of the institution, or an educational program offered by the institution was closed or discontinued, and you did not choose to participate in a teach-out plan approved by the Bureau or did not complete a chosen teach-out plan approved by the Bureau.
2. You were enrolled at an institution or a location of the institution within the 120 day period before the closure of the institution or location of the institution, or were enrolled in an educational program within the 120 day period before the program was discontinued.
3. You were enrolled at an institution or a location of the institution more than 120 days before the closure of the institution or location of the institution, in an educational program offered by the institution as to which the Bureau determined there was a significant decline in the quality or value of the program more than 120 days before closure.
4. The institution has been ordered to pay a refund by the Bureau but has failed to do so.
5. The institution has failed to pay or reimburse loan proceeds under a federal student loan program as required by law, or has failed to pay or reimburse proceeds received by the institution in excess of tuition and other costs.
6. You have been awarded restitution, a refund, or other monetary award by an arbitrator or court, based on a violation of this chapter by an institution or representative of an institution, but have been unable to collect the award from the institution.
7. You sought legal counsel that resulted in the cancellation of one or more of your student loans and have an invoice for services rendered and evidence of the cancellation of the student loan or loans.
To qualify for STRF reimbursement, the application must be received within four (4) years from the date of the action or event that made the student eligible for recovery from STRF.

A student whose loan is revived by a loan holder or debt collector after a period of noncollection may, at any time, file a written application for recovery from STRF for the debt that would have otherwise been eligible for recovery. If it has been more than four (4) years since the action or event that made the student eligible, the student must have filed a written application for recovery within the original four (4) year period, unless the period has been extended by another act of law.

However, no claim can be paid to any student without a social security number or a taxpayer identification number.

ACADEMIC POLICIES

CURRICULUM CHANGES

Changes in industry standards and trends may necessitate changes to the curriculum. Students may choose to take advantage of curriculum changes providing the changes do not require additional courses or require the student to enroll in additional semesters. Students with questions regarding the applicability of changes in curriculum requirements should make an appointment with a Student Advisor for a program evaluation.

Academy of Art University reserves the right to change, amend, or modify program content, equipment, staff or materials and organization as necessary at any time.

NOTE: The graduation requirements in effect at the time of the student's initial enrollment in a particular program are those that must be met for awarding of a degree or certificate. Students may be required to satisfy changes in departmental requirements or prerequisites provided that the changes do not result in additional semesters or courses to complete degree requirements.

DECLARING A MAJOR

Undergraduate students may begin seeking a degree without first declaring a major. A Declaration of Major form may be obtained from the Student Services Office.

NOTE: Entry into a major is subject to the Department Director’s approval. A Department Director may reject any request based on the student’s academic records.

CHANGING MAJORS

Students may change their major after review by both the exiting and receiving department. Due to the unique industry standards and program outcomes of each major, it is possible that courses taken under one major may not apply to the next major. The student should first meet with a Student Advisor for a program evaluation to understand which courses will apply to the new major. Once the student has approval to exit the first major the student may seek admittance to the new department. Courses may be substituted if the department determines that appropriate skills are evident in a portfolio of work.

NOTE: Entry into a major is subject to the Department Director’s approval. A Department Director may reject any request based on the student’s academic records.

NOTE: Changing majors may result in completed courses not counting toward the new major.

CHANGING DEGREE PROGRAMS

Students wishing to change their academic program must first contact their Student Advisor for a preliminary program evaluation. Advisors will explain how courses already completed will be applied to the new program.

NOTE: Students follow the degree requirements in place at the time that the student first declares degree seeking status.

NOTE: Changing programs may result in completed courses not counting toward the new program.

NOTE: Courses may be substituted if the department determines that appropriate skills are evident in a portfolio of work.

NOTE: A change from a graduate program to an undergraduate program requires the approval of the Executive Director of Graduate Services & Administration and a completed application for the new program.

NOTE: A change from an undergraduate program to a graduate program requires the approval of the Executive Director of Graduate Services & Administration and a completed application for the new program. The student must fulfill the graduate school application requirements.

NOTE: International Students must consult with their International Student Advisor regarding possible changes to their F-20 prior to changing programs.

Undergraduate students wishing to transfer from one academic program to another must obtain the appropriate form from their Student Advisor. This includes changing from non-degree Personal Enrichment status to Associates or Bachelor’s degree seeking status.

NOTE:
Undergraduate Student Examples: Non-degree Personal Enrichment student declares Bachelors of Fine Arts degree status: Student must satisfy the Bachelors of Fine Art degree requirements in effect at the time the student declares Bachelors of Fine Art degree status.

Associates of Art degree seeking student declares Bachelors of Fine Art degree status: Student must satisfy the Bachelors of Fine Art degree requirements in effect at the time the student declares Associates of Art degree status.

Bachelors of Fine Art degree seeking student declares Associates of Art degree status: Student must satisfy the Associates of Art degree requirements in effect at the time the student declared Bachelors of Fine Art degree status.

Graduate Students
Graduate students wishing to transfer from one academic program to another must obtain the appropriate form from their Student Advisor, submit portfolio for review and obtain approval from the Department Directors and the Executive Director of Graduate Services & Administration.

GRADUATION PLANNING

Students are encouraged to meet with their Student Advisor to map out a personalized graduation plan. In making plans, students should consider the following:

- Graduation plans vary by individual degree progress
- Student Advisor approval is required for course loads exceeding 12 units for Fall and Spring semesters and exceeding 6 units for Summer semesters

Graduation Plans
Academy of Art University allows flexibility with the rate in which students choose to progress through their degree requirements. The below samples illustrate some common plans. These samples are based on successful completion of units that apply toward graduation requirements. To achieve target plans, students should keep on track with units listed, which may result in a final semester with fewer units and a part-time enrollment status. In addition to Fall and Spring semesters, students may choose to take courses in the Summer semesters or intersessions to keep on track with their graduation goals.

GRADUATION

A student’s graduation term will be considered declared upon enrolment in the final required course(s). Degrees will be awarded by the Office of the Registrar upon confirmation of the following components:

1. Successful completion of final course(s),
2. A cumulative GPA of 2.0 or above,
3. Graduate students must have an approved final portfolio or thesis review with submitted accompanying documents as required by major and degree.

Diplomas are printed and released after a student’s final term has ended. Diplomas may be held due to an unpaid balance owed to the University.

NOTE: Academy of Art University does not have a final cumulative test or exam for the program. Undergraduate students submit a final portfolio through the Final Review course and Graduate students submit a final portfolio through the Final Thesis Presentation, a Final Review course, or a scheduled Final Review. Graduate students may view detailed information about Final Reviews at [http://gradshowcase.academyart.edu/](http://gradshowcase.academyart.edu/).

COMMENCEMENT CEREMONY

Students must have a declared graduation term to participate in the Graduation Ceremony and to have their diplomas scheduled for processing. Information regarding the appropriate timeframe, deadlines and specific department requirements can be found on the Graduation & Commencement page at [www.academyart.edu](http://www.academyart.edu).
SEQUENTIAL DEGREES & SUBSEQUENT DEGREES

This policy guides the application of credit units for a student who has completed a degree at Academy of Art University and wishes to enroll for another degree.

Sequential Academy of Art University Degrees

Students who are seeking a longer or more advanced degree in the same major, and same academic career of either Undergraduate or Graduate course work, are considered to be seeking a sequential degree.

Sequential Degrees Policies:

- The student must fulfill all the requirements of the longer degree.
- All units from the earlier, shorter, degree are eligible to apply to the later, longer, degree.
- Undergraduate coursework cannot be applied to a graduate degree.
- Students who have completed an M.A. degree and are continuing for an M.F.A. degree are subject to a portfolio review before starting the M.F.A. program.
- If the longer degree has requirements that would normally have been completed in the first years of that degree, the student must fulfill those requirements.
- For example: if a student receives an AA degree, and then decides to continue on for a BFA in the same field, but the BFA requires a specific course early in the program that the student did not take—even though the student has completed two years of applicable coursework in the same field, he or she must complete the required BFA course.
- If there is a time lapse of more than two years between the completion of the first degree and the beginning of the longer degree the re-entry policy applies.

Sequential Degree Examples:

Undergraduate example of applying for a sequential degree: A student has completed an AA degree and now wishes to continue for a BFA degree in the same major. AA to BFA: 100% of units from the AA degree are eligible to apply to the BFA degree.

Graduate example of applying for a sequential degree: A student has completed a M.A. degree and now wishes to continue for a M.F.A. degree in the same major. MA to MFA: 100% of units from the MA degree are eligible to apply to the MFA degree.

Subsequent Academy of Art University Degrees

Students who are seeking an additional degree in a different major and considered to be seeking a subsequent degree.

Subsequent Degrees Policies:

- Up to 50% of the course units for the new degree may come from the earlier degree.
- Classes that match may be applied at the Director’s discretion.
- Undergraduate coursework cannot be applied to a graduate degree.

Subsequent Degree Examples:

Undergraduate example of applying for a subsequent degree: A student has completed a BFA and now wishes to continue for a BFA in another subject. BFA to second BFA: Up to 50% of the second BFA may come from the first BFA, but only if the classes match.

Graduate example of applying for a subsequent degree: A student has completed a MFA and now wishes to continue for a MA in another subject. MFA to MA: Up to 50% of the MA may come from the MFA, but only if the classes match.

CREDIT HOURS

Credit Hours Definition
Academy of Art University uses the semester credit hour as the unit of measurement for the combination of in-class learning time and out-of-class coursework expectations. The number of credit hours assigned to a course quantitatively reflects the learning outcomes expected, the mode of instruction, the amount of time spent in class and the amount of outside preparatory coursework expected for the course. Departments are responsible for submitting course approval requests and conducting periodic reviews that include detailed descriptions of how unit value is justified.

CREDIT HOUR POLICY

A unit credit hour is defined as a class meeting for 50 minutes per week in a 15 week semester. A class offered in a term of less than 15 weeks contains the same contact hours, preparation time, content and requirements as the same course offered over a 15-week semester.

Class Mode: Lecture/Demonstration
One credit hour is associated with a class meeting for one hour per week. Each hour of class time requires a minimum of two hours of preparation or other out-of-class coursework. Lecture class time includes: lectures, demonstrations, media presentations and group discussions.

Class Mode: Studio (6 hour/week courses)
One credit hour is associated with a class meeting for 2 hours per week. Each hour of class time requires a minimum of one hour of preparation or other out-of-class coursework. Studio class time includes demonstrations, presentations, problem solving, instructor-led skill development and critique.
Class Mode: 6 Hour Studio (6 hour/week courses)
One credit hour is associated with a class meeting for 2 hours per week. Each hour of class time requires a minimum of one hour of preparation or other out-of-class coursework. Studio class time includes demonstrations, presentations, problem solving, instructor-led skill development and critique.

Class Mode: 5 Hour Studio (5 hour/week courses)
Foundations courses include both studio work and lecture components. A typical class session includes one hour of lecture and four hours of instructor-led studio work. One credit hour is associated with one hour of lecture and two credit hours are associated with four hours of in-class studio time. Each five hours of class time requires a minimum of four hours of preparation or other out-of-class coursework. Foundations class time includes lecture, demonstrations, instructor-led skill development and critique.

Class Mode: Online
One credit hour is associated with one hour of class time per week in a 15 week semester. Each hour of class time requires a minimum of two hours of preparation or other out-of-class coursework. Online class time refers to the time in which students are logged in and engaged in reading course content, watching demonstrations and media presentations, taking quizzes and participating in discussions.

Class Mode: Study Abroad
One credit hour is associated with each two hour class meeting. Each hour of class time requires a minimum of two hours of preparation or other out-of-class coursework. Lecture class time includes: lectures, demonstrations, media presentations and group discussions.

- On a 15 day trip students are in lecture/class approximately 6 hour per day for 13 days = 78 hours of contact time
- On a 21 day trip students are in lecture/class approximately 6 hour per day for 18 days = 108 hours of contact time

Class Mode: Internship
One credit hour is associated with three hours of supervised internship work per week in a 15 week semester. Internship-for-credit consists of supervised, professional work experience in which students actively apply the concepts and methods gained through their academic disciplines.

Class Mode: Thesis Forum (Graduate Programs Only)
Thesis Forum classes have two components; a one-on-one mentor component and a forum component. Graduate students will meet with the directed study Advisor for one hour a week and attend the online forum for two hours a week. One credit hour is associated with one hour of directed study Advisor meeting time. In this hybrid course, one credit hour is also associated with one hour of online class time. Each hour of Thesis Forum class time requires a minimum of two hours of preparation or other out-of-class coursework. Directed study Advisor contact time includes critique and discussions. Online forum class time refers to the time in which students are logged in and engaged in reading course content, participating in discussions and peer review.

Class Mode: Group Directed Study (Graduate Programs Only)
One credit hour is associated with a class meeting for one hour per week in a 15 week semester. Each hour of class time requires a minimum of two hours of preparation or other out-of-class coursework. Group Directed Study class time includes critique, peer review and group discussions.

Expectations
Based on the above standards students should expect an average minimum of nine hours of combined class and coursework time for a three unit course. Some weeks may have more out-of-class work and some may have less.

NOTE: Most courses will exceed the minimum out-of-class coursework hours.
NOTE: Advanced courses may have significantly higher expectations for out-of-class coursework.

ENROLLMENT STATUS

Enrollment status is a factor of consideration for insurance, financial aid, international student visas or to compete in intercollegiate athletics. Financial Aid may be available to part-time students. Full-time status is required for international student visa requirements or to compete in intercollegiate athletics. Many insurance policies require full-time status for coverage. Refer to personal insurance policies for enrollment status requirements.

Undergraduate students must carry a minimum study load of 12 units per semester to be considered as full-time students. Graduate students must carry a minimum study load of 9 units to be considered as full-time students.

NOTE: Enrollment in more than 6 units (1/2 time) in a summer semester is subject to academic performance and Student Advisor approval.

GRADE POINT AVERAGE (GPA)

GPA is calculated by taking the number of grade points a student earned divided by the total number of units taken.

**Semester GPA** is calculated only using the units and grade points of one semester. Semester GPA indicates semester academic progress and is used to determine the President’s Honor Roll.

**Cumulative GPA** is calculated using all units attempted at Academy of Art University for a career, regardless of the units applicability to a degree program. Cumulative GPA is used to determine Academic Status, Graduation Eligibility and Graduation Honors.

NOTE: The cumulative GPA is calculated using all units attempted at Academy of Art University for a career, regardless of the units applicability to a degree program. Review Minimum Grade Requirements in the Grading Policies for applicability of a grade towards a degree.

NOTE: Courses with a grade of “I” (incomplete grades) are considered “in-progress” and will be factored into the GPA and completion rate when the permanent grade is assigned.

NOTE: Academy of Art University has two student career tracks: Undergraduate and Graduate. In cases where a student does both undergraduate and graduate work at Academy of Art University, units taken for the first (undergraduate) career will not be a factor in calculating GPA for the second (graduate) career.
MINIMUM GPA REQUIREMENT

Students must meet these minimums to maintain Good Standing.

NOTES

- Students must achieve a final overall cumulative grade point average of at least 2.0 in order to receive their degree.
- Art Teaching Credential students must achieve a final overall cumulative grade point average of at least 3.0 in order to receive their credential.
- These minimums are a factor in determining Satisfactory Academic Progress for Financial Aid.

GRADUATION HONORS

Summa cum Laude: A student who has achieved a 4.00 grade point average.
Magna cum Laude: A student who has achieved an overall grade point average of 3.9 to 3.99.
Cum Laude: A student who has achieved an overall grade point average of 3.7 to 3.89.

Some students will graduate with appreciation from their departments for contributions to the school which have greatly benefited their fellow students and Academy of Art University. These students are selected by their Department Directors on a case-by-case basis.

PRESIDENT’S HONOR ROLL

Undergraduate or Graduate students who are registered for 12 units and maintain a 3.7 grade point average are considered for the President’s Honor Roll.
ACADEMIC STANDING

Academic Standing determines a student’s ability to continue with enrollment. Academic Standing is calculated when final grades are posted for a Fall, Spring or Summer semester and the student record is updated with one of the following statuses:

1. **Good Standing**: The cumulative record meets the minimum Grade Point Average (GPA) requirement.
2. **Academic Probation**: The cumulative record fails to meet the minimum cumulative grade point average (GPA) requirement and results in a probationary semester.
3. **Extended Academic Probation**: The cumulative record fails to meet the minimum cumulative grade point average (GPA) following a semester of Academic Probation and results in an Extended Academic Probation status. Extended Academic Probation will continue if the student’s semester GPA is 2.0 or higher, but the cumulative GPA is below the required minimum required GPA.
4. **Academic Dismissal**: The semester record fails to meet a 2.0 semester GPA after a semester of Extended Academic Probation and results in Academic Dismissal.

**NOTE**: Academic standing is calculated using the GPA based on the official grades posted for that semester. Repeating a course under the Course Repetition policy does not revise academic standing.

- The student may not use online Learning Management System (LMS) enroll, add or drop courses. All registration activity must be approved by a Student Advisor.

- The student may not enroll for a future semester until final grades have posted for all enrolled courses.

- Once a student’s academic standing is updated to Academic Probation, if enrolled for a future semester, the student’s scheduled is subject to administrative changes. The student may be dropped from ineligible courses due to failed prerequisites. Required courses may be added to the student’s schedule in place of administratively dropped courses.

- UNDERGRADUATE FRESHMEN students with less than 30 completed units are required to take LA 151 First Year Seminar for Academic Success. Failure to enroll and attend LA 151 will result in immediate Academic Dismissal.

- ATHLETIC students on Academic Probation are not eligible to compete.

- FINANCIAL AID students on Extended Academic Probation are not eligible for Financial Aid. See Financial Aid Satisfactory Academic Progress requirements.

DISMISSAL

If a student’s cumulative GPA does not meet the required minimum standards after an Extended Academic Probation semester, the student will be dismissed from the University. The student’s record will become inactive and a notation of “Academic Dismissal” will be noted on the transcript.

REQUEST FOR READMISSION AFTER DISMISSAL

If a student is dismissed, the student may apply for reinstatement by submitting a letter giving reasons for his/her academic record and requesting that re-admission be granted. A final decision will be reached by the Grievance Committee. Students who have been dismissed for lack of Satisfactory Academic Progress (SAP) may apply for re-admission in the same program of study after waiting a period of one 15 week semester.

READMISSION AFTER DISMISSAL

Students granted reinstatement may be enrolled for a probationary period upon re-entry. If a student’s semester GPA falls below 2.0 during this probationary period, the student will be permanently dismissed from the University. Students with an Academic Standing of Permanent Dismissal may not petition the Grievance Committee for readmission.

With respect to financial aid, a student must complete that evaluation period, meet the cumulative GPA minimum requirement, and meet the required completion rate minimums before financial aid awards will be made. This procedure applies only to dismissals caused by the lack of Satisfactory Academic Progress (SAP) and only when the student is re-entering the same curriculum. It does not apply to voluntary withdrawals.
FINANCIAL AID & SATISFACTORY ACADEMIC PROGRESS (SAP) POLICIES

FINANCIAL AID: SATISFACTORY ACADEMIC PROGRESS (SAP) REQUIREMENT

Students must achieve Satisfactory Academic Progress (SAP) toward their degree in order to maintain eligibility for most types of financial aid. To maintain SAP students must meet the following three components:

- Minimum grade-point average
- Minimum completion rate
- Maximum timeframe

Satisfactory Academic Progress is evaluated at the end of each term for which the student is in attendance. Students who do not earn their degree within the maximum timeframe become ineligible for financial aid as soon as they reach the specified maximum timeframe for their program of study. Students who do not meet the minimum grade-point average and minimum completion rate requirements are given one term of financial aid warning. Failure to meet the grade-point average and completion rate requirements at the end of the warning term will result in loss of federal financial aid.

A student placed on Financial Aid warning may receive financial aid, but if the student fails to achieve the required minimum cumulative grade point average and required completion rate at the end of the next evaluation period, the student will be withdrawn or placed in the extended enrollment program. Students in extended enrollment are not eligible for financial aid.

Students may petition to have financial aid reinstated. See the Financial Aid Satisfactory Progress Appeal policy for details.

FINANCIAL AID: SATISFACTORY ACADEMIC PROGRESS (SAP) STANDINGS

In order to be considered to be making Satisfactory Academic Progress (SAP) toward a degree, a student must both maintain a specified grade point average, proceed through the course at a specific minimum pace and must not exceed the maximum timeframe. Satisfactory Academic Progress (SAP) is evaluated at the end of each term for which the student is in attendance. For the purpose of determining satisfactory progress, each program is broken down into evaluation periods. An evaluation period equals one semester.

There are 3 types of Satisfactory Academic Progress (SAP) Standings:

- SAP met
- Financial Aid Warning
- SAP not met

</table>
| SAP Met                                     | Student record demonstrates Satisfactory Academic Progress (SAP).  
Satisfactory Academic Progress defined by a cumulative record that meets both a minimum Grade Point Average (GPA) and a satisfactory completion rate and does not exceed the maximum timeframe.  
Students meeting the SAP requirement may receive Financial Aid. |
| Financial Aid Warning                       | Student record does not demonstrate Satisfactory Academic Progress (SAP).  
Based on cumulative units attempted, either the GPA or completion rate does not meet minimum standards. The student is given a one semester warning period to raise the results of cumulative units to meet minimum standards for GPA or the completion rate.  
Students on Academic Probation are subject to enrollment conditions as outlined in the Academic Probation Policy.  
A student may receive Financial Aid for a warning term. |
| SAP Not Met                                 | Student has exceeded the maximum timeframe or the student record fails to demonstrate Satisfactory Academic Progress (SAP) after a probationary semester.  
The student may not receive Financial Aid. |
FINANCIAL AID: MINIMUM GPA REQUIREMENT

In addition to the minimum completion rate and maximum timeframe requirement, students receiving federal Financial Aid must achieve a minimum GPA.

The student’s cumulative grade point average is calculated at the end of each evaluation period (semester). If the student has less than the cumulative GPA specified below at the end of each evaluation period, he/she will be placed on financial aid warning for one evaluation period (semester). During the financial aid warning, the student may receive financial aid, but if at the end of the next evaluation period (semester), if the student has not raised the GPA to the required minimums, the student will lose Financial Aid eligibility.

The minimums shown in the chart below represent the minimum GPA required for the purpose of determining student Financial Aid eligibility.

The GPA (Grade Point Average) is calculated by taking the number of grade points a student earned divided by the total number of units taken.

Semester GPA is calculated only using the units and grade points of one semester.

Cumulative GPA is calculated using all units attempted at Academy of Art University for a career, regardless of the units applicability to a degree program. Cumulative GPA is used to determine Academic Status, Graduation Eligibility and Graduation Honors.

NOTE: The cumulative GPA is calculated using all units attempted at Academy of Art University for a career, regardless of the units applicability to a degree program. Academy of Art University has two student career tracks: Undergraduate and Graduate. In cases where a student does both undergraduate and graduate work at Academy of Art University, units taken for the first career will not be a factor in calculation graduate GPA for the second career.

NOTE: Courses with a grade of "I" (incomplete grades) are considered “in-progress” and will be factored into the GPA and completion rate when the permanent grade is assigned.

NOTE: A grade of “W” (Withdrawal) is not used when calculating a student’s cumulative GPA but is used when calculating the required completion rate if the student attends the class past the first week of school.

NOTE: A grade of “WF” (Withdrawal Failure) is used when calculating a student’s cumulative GPA and in the calculation of the required completion rate.

NOTE: A student may repeat a course to replace the grade only if the first attempt resulted in a grade of “C-” or lower. The grade and units earned in a second attempt will be used in the GPA calculation even if the second attempt results in a lower grade. A student may repeat the same course only once to replace a grade. See the Grade Exclusion policy for details regarding GPA calculations for repeated courses.
FINANCIAL AID: MINIMUM COMPLETION RATE REQUIREMENT

In addition to the minimum GPA requirement and maximum timeframe requirement, students receiving federal Financial Aid must complete at least two-thirds of their attempted units.

The student’s completion rate is measured at the end of each evaluation period (semester). If the student has not completed the required number of credits attempted to date, he/she will be placed on financial aid warning. During the financial aid warning, the student may receive financial aid, but if at the end of the next evaluation period (semester), if the student has not raised the completion rate to the required minimums, the student will lose Financial Aid eligibility.

Minimum Completion Rate

In order to meet the minimum completion rate, a student must successfully complete at least one half (50%) of the cumulative credits attempted during the first two evaluation periods in attendance and at least two-thirds (66.6%) of the cumulative credits attempted thereafter.

Minimum Completion Rate Calculations

The minimums shown in the chart below represent the minimum number of completed units required for the purpose of determining student Financial Aid eligibility.

Attempted Units include:
- All units for courses in which a student enrolled as of the drop deadline
- All units that a student drops or adds at any point in the semester
- All units for courses in which the student enrolled, but subsequently drops, withdraws or fails
- Transfer units from another school that are accepted by Academy Art University
- Units for repeated courses and the initial units for those courses are all included as attempted units

Completed Units include:
Undergraduate Completed Units include:
- All units completed with grades of ‘D-’ or better
- Transfer units from another school that are accepted by Academy Art University

Graduate Completed Units include:
- All units completed with grades of ‘C’ or better
- Transfer units from another school that are accepted by Academy Art University

NOTE: Courses with a grade of “I” (incomplete grades) are considered “in-progress” and will be factored into the GPA and completion rate when the permanent grade is assigned.

NOTE: A grade of “W” (Withdrawal) is not used when calculating a student’s cumulative GPA but is used when calculating the required completion rate if the student attends the class past the first week of school.

NOTE: A grade of “WF” (Withdrawal Failure) is used when calculating a student’s cumulative GPA and in the calculation of the required completion rate.

NOTE: In the case of repeating a course of which the first attempt was a “D-” or higher, when final grades are posted for the second attempt, the first attempt will no longer count towards the cumulative units of successfully completed units. In this case, the first attempt will count toward the cumulative number of attempted units.

NOTE: Review Minimum Grade Requirements in the Grading Policies for applicability of a grade towards a degree.
FINANCIAL AID: MAXIMUM TIME FRAME REQUIREMENT

In addition to the minimum GPA requirement and minimum completion rate requirement, students receiving federal Financial Aid must be progressing toward completion of the program within a specified time frame. The Maximum Time Frame refers to the maximum number of units a student may attempt as still be eligible for Financial Aid.

Students who do not earn their degree within the specified time frame become ineligible for financial aid as soon as they reach the specified maximum time frame for their program of study.

Maximum Time Frame
The school’s maximum time frame equals one and one-half times the normal time frame.

The examples shown in the chart below represent minimum requirements for the degree programs listed, and the corresponding maximum attempted credits allowed for purpose of determining student Financial Aid eligibility.

NOTE: Unit requirements may vary by major. Refer to departments for specific unit requirements.
NOTE: Time for an approved leave of absence will not be included in the calculation of a student’s maximum program length.
NOTE: For students who change majors, the units not counted toward the new major will not be included in the maximum time frame requirement.

FINANCIAL AID: ENROLLMENT STATUS

Enrollment status is a factor of consideration for Financial Aid.

Undergraduate students must carry a minimum study load of 12 units per semester to be considered as full-time students. Graduate students must carry a minimum study load of 9 units to be considered as full-time students.

FINANCIAL AID NOTE: Third Attempt Courses
A previously passed course (grade other than an “F”, “W” or “WF”) can only be repeated once in order to have the credits for that course to be counted towards the student’s enrollment status when determining eligibility for undergraduate federal financial aid. If a previously passed course is repeated for a third time the credits earned for that course will not be used to determine the student’s undergraduate enrollment status for federal financial aid purposes.
FINANCIAL AID: SATISFACTORY PROGRESS APPEAL

A student may file an appeal based on extenuating circumstances (generally limited to an illness or personal emergency). In such cases, the Financial Aid Committee may determine that the student is making satisfactory progress toward his/her degree despite failure to conform to the normal time frame or minimum grade point average.

If an appeal is granted for more than one semester the student must meet all conditions of the academic plan provided by the Financial Aid appeals committee. Students not on an academic plan will have only one semester to meet the GPA and minimum completion rate requirements to remain eligible for financial aid.

A student may appeal the determination of satisfactory progress and the termination of financial aid by writing a letter and providing proper documentation (i.e. letters from a doctor) as requested by the Financial Aid Appeals Committee.

REGISTRATION & COURSE ENROLLMENT POLICIES

REGISTRATION

Students may register for courses in one of two ways:

- Online Learning Management System (LMS)
- With the assistance from a Student Advisor

Students may discuss courses with a student Advisor over the phone, in person, through the Advisor’s virtual office or via e-mail. Students are encouraged to contact their student Advisor at least once a year for a program evaluation and discuss courses for the upcoming year. Students are encouraged to research courses using academy of art university online class search and registration page.

Refer to the Academic Calendar for registration periods.

NOTE: Enrollment in more than 12 units is subject to academic performance and Student Advisor approval.

NOTE: Enrollment in more than 6 units in a summer semester is subject to academic performance and Student Advisor approval.

NOTE: Enrollment in more than 3 units in an intersession is subject to academic performance and Student Advisor approval.

ENROLLMENT AGREEMENT

An Enrollment Agreement is required for initial enrollment in Academy of Art University. This agreement outlines school policies that must be agreed upon in order to be a student. Students may view their Enrollment Agreement though their online account at any time.

RE-ENTRY

Domestic students who withdrew and elect to re-enter the institution must complete the Request for Re-Entry form.

International Students must contact International Continuing Student Advisor at 415-274-2208.

Upon re-entry, students must complete a program evaluation with a Readmission Representative for a preliminary assessment of which previously completed coursework may apply to their current program. A portfolio review may be necessary for placement into major courses.

NOTE: Student programs that are incomplete and have not had registration activity in a two year period will be considered inactive.

NOTE: The graduation requirements in effect at the time of re-entry may be required for awarding of a degree or certificate if student has been gone for more than two consecutive terms. Students who are returning within two terms or less will be allowed to follow the program requirements in place when they left the University.

NOTE: Previously completed coursework is not guaranteed to count toward a reactivated program and students may be required to demonstrate that their current level of skill meets current program standards. Coursework may be substituted where appropriate if the department determines that skills are evident based on a portfolio review of current work.
Re-Entry Transfer Students

- Transcripts received in the student’s first semester may be re-evaluated based on current graduation requirements.
- Transcripts received after a student’s first semester and a re-entry period of less than 5 years will not be eligible for transfer review unless the student completed a degree program after leaving Academy Art University. Re-entry students who completed a degree program at another institution may request a transcript review of courses taken prior to their first re-entry term by writing a letter to the Executive Vice President of Educational Services.
- Re-entry students whose Academy of Art University records have been inactive for 5 years or more may request a transcript review of courses taken prior to their first re-entry term by writing a letter to the Executive Vice President of Educational Services.
- Transcripts received after a student’s first re-entry semester will not be eligible for transfer review.

* Full time (12 units), Three Quarter Time (9 units), Half Time (6 units), Less than Half Time (3 units)
ADD PROCEDURES

Students may add courses and make schedule adjustments using the online Learning Management System (LMS) throughout the registration period until the tuition deadline. Students may also add classes through the assistance of a Student Advisor via an in-person meeting, e-mail, or a phone call.

NOTE: Enrollment in more than 12 units is subject to academic performance and Student Advisor approval.
NOTE: Enrollment in more than 6 units in a summer semester is subject to academic performance and Student Advisor approval.
NOTE: Enrollment in more than 3 units in an intersession is subject to academic performance and Student Advisor approval.

ADD PROCEDURES AFTER THE TUITION DEADLINE

Students may add classes through the first week of school with the assistance of a Student Advisor. Students may also add a course during the second week of school, providing the second module/session has not begun. A student who wishes to add a class must meet with, e-mail, or call a Student Advisor. If applicable, students will be charged additional tuition. Requests to add courses must be approved by the Student Advisor and Accounts Receivable prior to processing.

ADMINISTRATIVE ADD/DROP POLICY

Academy of Art University may make adjustments to students' schedules deemed necessary to maintain the student's enrollment status. Students may have their schedules administratively adjusted under the following circumstances:

Course cancelation: If a course is canceled, prior to the start date and the student does not respond to outreach to select a replacement section or course, the Advisor may enroll the student in an alternate section or alternate required course.

Changes in Schedule: The Academy reserves the right to amend, alter, or modify its course offerings at any time. If the Academy proposes a course schedule change to a course currently scheduled, students who are already enrolled will be notified of any proposed changes. The change will not be made unless 90% of those students scheduled agree to the change. Every attempt will be made to accommodate Student's preferences with regards to any schedule change.

Failed prerequisite / prerequisite not met: Students who fail to meet the prerequisites for a course may have their schedules administratively adjusted. The course for which the prerequisite has not been met may be administratively dropped and the prerequisite course administratively added.

Failed Self-Service enrollment attempt: If a course enrollment request is rejected due to a filled section or unmet prerequisite, the Advisor may enroll the student in an alternate section or alternate required course.

In the event that the student's schedule has been administratively adjusted, the student will be immediately informed by e-mail and the new schedule may be viewed in the student's online Learning Management System (LMS) account. Students with domestic phone numbers on file will also be contacted by phone. Students are encouraged to keep their contact information up-to-date at all times in their online Learning Management System (LMS) account.

DROP PROCEDURES

After the start of a term, students must work with a Student Advisor to drop a course. A withdrawal is defined as dropping all courses from a semester resulting in no enrollment for the term.

Students may make the request in person or via e-mail to the Student Advisor and the Advisor will assist the student with the Drop or Withdrawal form. Completed forms must be approved by the student's Student Advisor and Accounts Receivable. Add/Drop/Withdrawal forms must then be submitted to the registration office for processing.

A $25 fee will be charged for each class dropped once the second week of each semester begins. Calculation of tuition refunds are based on the last date of attendance in the course and the refund policy set forth on the Enrollment Agreement signed by the student at the time of enrollment.

NOTE: Students are expected to complete the courses in which they are enrolled. Academy of Art University discourages students from dropping a class simply because they do not expect a good final grade. A student who is doing poorly or who wants academic assistance of any kind, at any level, is encouraged to contact the Academy Resource Center.
DROP & WITHDRAWAL POLICIES

W and WF Grades in Fall and Spring Semesters
Students enrolled in a Spring or Fall semester who drop a course or withdraw from school, voluntarily or involuntarily, will receive one of the following notations on their official records:

- No notation, if a student drops or withdraws prior to the end of the first week of class instruction.
- "W", if a student drops or withdraws after the first week of class instruction but prior to the start of the eighth week of class instruction. A "W" grade will not be counted in computing grade point averages but will count when calculating the required completion rate if dropped after the first week of class.
- "WF", if a student drops or withdraws after attending the eighth week from the start of the term. A "WF" will be counted the same as an "F" in computing grade point averages (GPA).

W and WF Grades in Summer Semesters
Students enrolled in a Summer semester who drop a course or withdraw from school, voluntarily or involuntarily, will receive one of the following notations on their official records:

- No notation, if a student drops or withdraws prior to the end of the first week of class instruction.
- "W" if a student drops or withdraws after the first week of class instruction but prior to the start of the fourth week of class instruction. A "W" grade will not be counted in computing grade point averages but will be counted in calculating the required completion rate if dropped after the first week of class.
- "WF", if a student drops or withdraws after attending the fourth week of class instruction. A "WF" will be counted the same as an "F" in computing grade point averages (GPA).

For purposes of counting weeks, the first week of class instruction begins with the first class session held at academic art university for the particular term, regardless of holidays or actual class meetings for a particular class.

FINANCIAL AID NOTE: recipients must notify the Financial Aid Office of any schedule change affecting the total units in which a student is enrolled for that semester.

International Students must notify the International Student Office of any schedule changes that result in a less than Full-Time Enrollment Status.

STUDENT’S RIGHT TO CANCEL

You have the right to cancel your agreement for a program of instruction without any tuition charges through the seventh calendar day based on the start date of the program. After the end of the cancellation period, you also have the right to stop attending at any time; and you have the right to receive a pro rata refund if you have completed 60 percent or less of the scheduled weeks in the current payment period in your program through the last day of attendance.

Cancellation may occur when the student provides a written notice of cancellation at the following address:

Executive Vice President of Enrollment Management
79 New Montgomery Street
San Francisco, CA 94105

Students may fill out a withdrawal form in person with the assistance of their Student Advisor or send written notice of withdrawal. Responsibility for filing a notice of withdrawal rests entirely with the student. Any money owed to Academy of Art University is due on the official date of the withdrawal. The written notice of cancellation, if sent by mail, is effective when deposited in the mail properly addressed with proper postage.

The written notice of cancellation need not take any particular form and, however expressed, it is effective if it shows that the student no longer wishes to be bound by the Enrollment Agreement.

If the Enrollment Agreement is cancelled the University will refund the student any money he/she paid, less an administrative fee (application, enrollment and registration fees) not to exceed $250.00 and within 45 days after the notice of cancellation is received.

If the Enrollment Agreement is cancelled by the University, the University will refund the student any money he/she paid within 45 days after the notice of cancellation is received.

NOTE: The University will exercise its right to cancel this agreement. If documentation is not submitted in accordance to the admissions requirements within 30 days of the program start date, a student will be cancelled and no tuition/fees (except the application fee) are charged. Should additional information be requested by the University a due date will be provided.

WITHDRAWAL

Students who elect to withdraw from Academy of Art University during the semester must complete an exit consultation with their Student Services Advisor. Students, with their Advisor, will complete a withdrawal form documenting the withdrawal, the reason for withdrawal, review items that may impact the student as a result of withdrawing, and assess if the University could do anything to maintain their standing as a student.

Responsibility for filing a notice of withdrawal rests entirely with the student. Any money owed to Academy of Art University is due on the official date of the withdrawal.

You may withdraw from the University at any time after the cancellation period and receive a pro rata refund if you have completed 60 percent or less of the scheduled weeks in the current payment period in your program through the last day of attendance. The refund will be less an administrative fee (application, enrollment and registration fees) not to exceed $250.00, within 45 days of withdrawal. If the student has completed more than 60% of the period of attendance for which the student was charged, the tuition is considered earned and the student will receive no refund.

For the purpose of determining a refund under this section, a student may be deemed to have withdrawn from a program of instruction when any of the following occurs:

- The student notifies the institution of the student’s withdrawal or as of the date of the student’s withdrawal, whichever is later.
- Student fails to attend for three consecutive weeks.
- Student fails to reconcile accounts in a timely manner.
- Student fails to comply with the policies, rules, and standards of academy of art university.
- The Academy reserves the right to involuntarily withdraw any Student whose conduct reflects discredit on the professional or ethical standards of The Academy.
For the purpose of determining the amount of the refund, the date of the student’s withdrawal shall be deemed the last date of recorded attendance. The amount owed equals the weekly charge for the program (total institutional charge, minus non-refundable fees, divided by the number of weeks in the term), multiplied by the number of weeks scheduled to attend, prior to withdrawal.

For programs beyond the current “payment period,” if you withdraw prior to the next payment period, all charges collected for the next period will be refunded. If any portion of the tuition was paid from the proceeds of a loan or third party, the refund shall be sent to the lender, third party or, if appropriate, to the state or federal agency that guaranteed or reinsured the loan. Any amount of the refund in excess of the unpaid balance of the loan shall be first used to repay any student financial aid programs from which the student received benefits, in proportion to the amount of the benefits received, and any remaining amount shall be paid to the student.

If the student has received federal student financial aid funds, the student is entitled to a refund of moneys not paid from federal student financial aid program funds.

If applicable, students may need to complete the Withdrawal process with these additional steps:

**Housing:** Send an email with their full name, ID number, and thorough explanation for withdrawing to housing@academyart.edu.

**International Students:** Check with International office for information about returning home within the correct window of time.

**FINANCIAL AID NOTE:** call the Financial Aid Office at 415-618-6190 and notify the Financial Aid Office of withdrawal. A follow up email to their specific financial Advisor is recommended.

**ADMINISTRATIVE WITHDRAWAL**

Students who fail to follow formal drop or withdrawal procedures may be administratively withdrawn from courses if they fail to attend classes for three consecutive weeks. Students are advised that they are still required to complete the formal procedures set forth above if they wish to drop a course or withdraw from school. Although failure to attend may ultimately result in a withdrawal from a course, it could have serious adverse consequences on a student’s permanent scholastic record. Many times students may avoid adverse consequences by meeting with their Student Advisor prior to dropping a course or withdrawing from school. Additionally, failure to follow the rules and procedures of Academy of Art University is grounds for academic discipline, including dismissal from Academy of Art University.

Students who are having unusual difficulties or find themselves in circumstances where they are unable to attend courses should contact their Student Advisor or the Academy Resource Center at the earliest possible time to avoid academic sanctions. In most instances, students will be contacted prior to any administrative withdrawal action. Students should ensure that Academy of Art University has their accurate local address and phone number on file.

Students who feel they have been administratively withdrawn from a course or courses in error should complete an Add Form and must meet with their Student Advisor. Students are responsible for promptly reviewing final semester grades when received. A student will only be permitted to petition for a change of grade during the semester immediately following the completion of course work for the questioned grade.

**INVOLUNTARY WITHDRAWAL**

Academy of Art University may withdraw a student under any of the following circumstances.

- Student fails to attend classes for three consecutive weeks.
- Student fails to reconcile accounts in a timely manner.
- Student fails to comply with the policies, rules and standards of Academy of Art University.
- Student fails to register for classes before attendance; auditing a class is grounds for dismissal.
- Student exhibits behavior that is deemed unbecoming of a college student.

Academy of Art University reserves the right to withdraw any student whose conduct reflects discredit on the professional or ethical standards of Academy of Art University. Students who are involuntarily withdrawn will receive a pro-rata refund for the unused portion of tuition and other refundable charges paid. Refunds will be calculated on the basis of the last actual date of attendance. Refunds will be paid within 45 days of the date of involuntary withdrawal by Academy of Art University. Students should refer to academy of art university’s policies regarding dropping or withdrawing from courses as listed in this Schedule under “Add/Drop Procedures.”

ACCESS FOR STUDENTS WITH DISABILITIES

Academy of Art University facilitates reasonable accommodations for students with disabilities. Students who require accommodations are encouraged to request them prior to the start of a semester, but can do so at any time.

Requests for accommodations are considered individually and determined in accordance with state and federal laws. Students are responsible for articulating their accommodation requests and submitting documentation that meets the university’s eligibility criteria. To obtain eligibility criteria and request accommodations, students may contact Classroom Services at 415.618.3775 or accessibility@academyart.edu. Classroom Services is located in the Academy Resources Center, 79 New Montgomery Street, Room 356.

ACADEMY RESOURCE CENTER (ARC)

The Academy Resource Center (ARC) offers free, group tutoring to all Academy of Art University students, both undergraduate and graduate, for all majors and courses, in the form of On-Campus and Online Labs, which provide individualized attention from experienced tutors to small groups of students. Students may be referred—or seek tutoring themselves—through Student Academic Support (SAS) at the ARC, and academic coaches will assist students by referring them to the appropriate educational support options.

On-Campus Labs

Most On-Campus Labs take place in the Computer Lab (Room 311) or Drawing Studio (Room 313) at 79 New Montgomery, 3rd Floor. Labs which require special facilities or equipment, as well as those taking place on evenings or weekends, may be scheduled in other buildings.

Students sign up for a 50-minute appointment with an on-campus tutor using TutorTrac online at https://tutortrac.academyart.edu. (Firefox is the recommended web browser.)

Online Labs

Online Labs provide all Academy of Art University students with live, real-time support with an experienced and knowledgeable tutor via online chat, video, screen sharing, file sharing, and conference call capability.

Students access Online Labs through Adobe Connect by clicking on the corresponding link in the Online Lab schedule during the appointed day and time. All scheduled times are Pacific Standard Time (PST).

Students are encouraged to take advantage of these free services to help them with their classes and assignments; however, they should also make regular use of other support options, including Department Workshops, to avoid falling behind. All tutoring is provided by current faculty, alumni, and technical staff. ARC Tutoring should not be regarded as a substitute for attending class and is effective only in conjunction with continued, regular weekly attendance and full participation in class.

STUDENT ACADEMIC SUPPORT

Academic coaches can help students with organizing and planning their semester. Coaches work with students to improve their study skills (time management, project planning, etc.). Coaches also connect students looking for additional support to campus and community resources. One-on-one coaching is available to both on campus and online students. Students can schedule appointments, drop-in or text ARC.
ARC TUTORING & TRAINING

ARC Training & Tutoring offers small group tutoring through Online Clinics and On-Campus Labs. Students may sign up for up to three 50-minute tutoring appointments per week using TutorTrac online. Instructions for using TutorTrac are also available online at http://www.academyart.edu/students/my-academy/academy-resource-center/training-tutoring. All tutoring is provided by current faculty, alumni, and technical staff.

LIBRARY

Academy of Art University Library is located on the 6th floor of the 180 New Montgomery building. To meet the diverse needs of our undergraduate and graduate programs the library has a well curated and diverse collection that supports the university’s art and design curriculum.

The library’s collection is focused on the visual and technical arts and houses over 50,000 volumes. The resources in the library include print and electronic materials. The library’s periodical collection includes over 275 current subscriptions as well as an extensive collection of bound back issues that are of significant research value in the field of art and design. Our online resources include 18 databases that offer access to hundreds of thousands of full text articles, eBooks, and digital images. We have a digital image library (LUNA) that houses over 275,000 digital images. The online resources are delivered through our dynamic website that provides access to the online catalog, subject guides created by Academy of Art librarians, as well as other instructional guides and tutorials. Please see our "Collections" page for a detailed description of the library’s special collections and holdings.

The Academy of Art Library has a long history of being a "no-shush" zone. Students are encouraged to work together to exchange ideas and inspiration. To facilitate this we offer a vibrant atmosphere where artists can conduct visual research, collaborate, learn, and create. The Library maintains this synergistic environment with group study space, a 15-seat theater available for classes, clubs, and directed study, and several visual resource areas where students can practice hands-on techniques learned in the classroom.

Discover a wealth of art and design information in our fully stocked library. Enjoy our DVD theater, stock photography and illustrations, research databases, and virtual reference material on a variety of subjects. Conduct research, study with friends, or just find a quiet place to read in our comfortable library.
If you would like individual research help, you can also use this form to schedule an appointment with a librarian for a research consultation. You can meet with a librarian in person, via email, or on the phone.

This service is available to currently enrolled Academy of Art University students and faculty only.
Theater & Group Study Room

Group Study Room Use
Need a place to study together? We've got a group study room! The room seats 8 people and has a conference table and a whiteboard, so it's a great place for studying, brainstorming, or rehearsing. You can use the group study room for up to 2 hours at a time. If another group books a time slot after your time slot is over, that group has priority. Since this room is very popular, be sure to reserve your time in advance! To reserve the room, call us at 415-618-3842, e-mail us at library@academyart.edu, or speak to a library staff member.

Since we want the room to be available to all of our patrons as needed, we do not allow recurring teacher-led study groups or classes to book this room as a weekly meeting spot.

If you do not arrive or contact us by 15 minutes after the start of your reservation, we will cancel your reservation and make the room available for other students.

Theater Room Use
We have a 15-seat theater room where you can watch DVDs or VHS tapes. The room also has a computer hooked up to the projector that you can use to view files or the internet. You can use the theater room for up to 3 hours at a time. In order to reserve the theater room, call us at 415-618-3842, e-mail us at library@academyart.edu, or speak to a library staff member. Since this room is very popular, be sure to reserve your time in advance!

As with the group study room, we do not allow recurring classes or study groups to use the theater room as a regular meeting spot.

If you do not arrive or contact us by 15 minutes after the start of your reservation, we will cancel your reservation and make the room available for other students.

Library Classroom Use
The Library Classroom (Room 621) has regularly scheduled classes and events. This room maybe used by faculty on a case-by-case basis; you must make an appointment by speaking with Debra Sampson, the Library Director. She can be contacted at dsampson@academyart.edu. The Library Classroom may be booked only if the Group Study Room is unavailable and there are no other classes or events scheduled in this space. Reservations cannot exceed 2 hours. We do not allow recurring classes or study groups to use the classroom as a regular meeting spot.

If you do not arrive or contact us by 15 minutes after the start of your reservation, we will cancel your reservation and make the room available for other patrons.

Filming in the Library

Failure to receive reminders or overdue notices does not excuse borrowers from the responsibility of returning or renewing items on time to avoid penalties. Fees are automatically billed to your library account when materials are returned, and accrue for each day overdue as outlined in the above “Borrowing Privileges.” The max overdue fine is $5.

Patrons with fines on their account cannot check out materials. Patrons with fines of $65 or over, or long-overdue items, cannot check out materials, are prevented from grade report generation, and cannot receive transcripts (per University policy).

ATTENDANCE POLICIES

ATTENDANCE

Students are expected to attend all class periods/modules of the courses for which they register. Failure to attend and participate in a class will reflect negatively on the student’s performance. Final grades will reflect this policy. Students may be administratively dropped from classes due to excessive absences.

In-class participation is important not only to the individual student, but also to the class as a whole. Because class participation may be a factor in grading, instructors may use absence, tardiness, or early departure as de facto evidence of nonparticipation. Students who miss an exam due to an excused or unexcused absence will be penalized according to the individual instructor’s grading policy.

Attendance: On-Campus Courses
Attendance requires arriving on time and staying for the entire class session.

Attendance: Online courses
Attendance requires logging into the class home page during the period indicated for each module and being engaged in an academically related activity in at least one of the following:

- Having an electronic communication with the instructor about an academic matter
- Participating in an online discussion board
- Submitting or completing an assignment
- Completing an examination or quiz
- Answering a question
- Participating in a class forum

NOTE: Students may log into the class at any time of day.

NOTE: Course work and participation must be completed in accordance of module deadlines. Students are expected to read all module pages, complete all quizzes and participate in the course discussion with multiple postings/entries.

MODEL ATTENDANCE POLICY

Academy of Art University has developed a Model Attendance Policy. Most classes follow these policies; however, department and instructor policies may differ from the model policies.

Class attendance is required. Each course requires that the student be present at, and participate in every class session. Failure to attend classes, tardy arrivals and early departures will be reflected in final grades as follows:

- Four late arrivals may drop the final grade by one letter grade ("B" to "C", "C" to "D"...)
- Three unexcused absences may result in a final grade of "F".
- Three consecutive absences may result in being dropped from the course.
EXCUSED ABSENCES

Excused absences are at the discretion of the instructor. Absences are excused on the following grounds only: illness, injury or other medical necessity accompanied by a doctor’s note; death in the student’s family.

There is no substitution for information or demonstrations missed due to an absence. Students who miss a project deadline, presentation or exam due to an excused or unexcused absence will be penalized according to the individual instructor’s grading policy.

On-campus courses: An excused absence and the acceptance of late work are determined by the instructor.

Online courses: An excused absence must be approved by the instructor and communicated to the Online Education Department in a timely fashion.

NOTE: Excused absences are not recorded on the attendance roster. Student attendance is only marked as either present or absent.

NOTE: An excused absence does not alter the deadline for assignments or projects.

NOTE: Personal computer or Internet connection related problems do not qualify as an excused absence. Regardless of technical difficulties, it is the student’s responsibility to find alternate computer access to participate in the discussions and complete quizzes and assignments on time.

Make-Up Work

Students should discuss make-up work with their instructor or Department Director.

LATE SUBMISSION OF PROJECTS/ASSIGNMENTS

Assignments and projects have deadlines to which students must adhere. Failure to submit an assignment or complete a project on time may be reflected in the grade for that assignment/project. Any work that is not submitted as due may be marked with a grade of “F” or marked down by one letter grade (“B” to “C”, “C” to “D”...) for each week that it is late.

ATTENDANCE CORRECTIONS

In the event that an inaccurate attendance status has been placed on the student record, the student must request a correction from the instructor before the end of the semester. The instructor will work with the appropriate department Administrative Assistant to submit an attendance correction form if there is an error.

DEADLINE: Attendance corrections must be submitted prior to the end of the semester. Attendance records in place at the end of a semester are considered final and may not be changed.

NOTE: Should a student decide to discontinue a course, an official drop form should be filed as soon as the student has made that decision to remove the student’s name from the attendance roster for the remainder of the semester. Review the drop policy for details on the drop procedure.
Grading Policies

Grading Criteria

Students are evaluated in terms of the Course Learning Outcomes which are published on the syllabus for each course. Students may access syllabi for in-progress courses electronically using online resources at www.academyart.edu/login. This resource is available for both on campus and online courses.

Final grades will reflect the quality of the student's performance relative to the Course Learning Outcomes.

NOTE: Grades of "F" are computed as zero (0) points toward the Grade Point Average.

Semester Grading Periods

All courses report midterm and final grades. Courses offered in Fall and Spring semesters also report two progress grades. Courses offered in Summer and Intersession do not report progress grades.

Students may access grades online using online resources at academyart.edu/login. This resource is available for both on campus and online courses.

Specific dates for midterm and final grading periods can be found on the academic calendar.

Progress Grades
Progress grades are intended to give students a clear view of where they rank academically so that they know how they are progressing in class and if they need to improve their academic performance.

Spring and Fall semesters: All courses report progress grades in Modules 4 and 11.
Summer semesters, Winter intersessions and Summer intersessions: no progress grades are reported.

Mid-Semester Grades
Instructors issue mid-semester grades to assess student performance during the first half of the semester.
All terms: All courses report mid-semester grades after module 7.

Final Grades
All terms: All courses report final grades after module 15.

Official Grades
Official grades are typically posted two weeks after the end of the semester. Dates can be found on the academic calendar.
DISTANCE EDUCATION GRADING TIMEFRAME

Work submitted for grading will be provided back to the student within 5 business days during the Fall and Spring semesters, and 3 business days during the Summer semester.

COURSE REPETITIONS

A course may count only once toward the major. A student may repeat a course to replace the grade only if the first attempt resulted in a grade of “C-” or lower. The grade and units earned in the second attempt will be used in the GPA calculation even if the second attempt results in a lower grade. See the Grade Exclusion Policy for details regarding repetition of a course with a first attempt of “C-” or lower.

FINANCIAL AID NOTES:

- Credits attempted from both courses will be used in the calculation of the required completion rate.
- Courses which have been excluded from the student’s record due to the Grade Exclusion policy will not be counted as units completed but will be counted as units attempted for the purposes of calculating the student's completion rate for SAP.
- A grade of “W” (Withdrawal) is not used when calculating a student's cumulative GPA but is used when calculating the required completion rate if the student attends the class past the first week of school.
- A grade of “WF” (Withdrawal Failure) is used when calculating a student’s cumulative GPA and in the calculation of the required completion rate.
- A previously passed course (grade other than an F, W or WF) can only be repeated once in order to have the credits for that course to be counted towards the student’s enrollment status when determining eligibility for undergraduate federal financial aid. If a previously passed course is repeated for a third attempt the credits earned for that course will not be used to determine the student’s enrollment status for federal financial aid purposes.

Example: A student is enrolled in 6 units. 3 of those units are for a previously passed course which is being repeated for a third time and therefore cannot count towards enrollment status when calculating Financial Aid eligibility. The remaining 3 units will be considered as an Enrollment Status of Less Than Half-Time. Students with a Less Than Half-Time Enrollment Status are not eligible to receive Federal Student Loans.

GRADE EXCLUSION

A student may repeat a course to replace the grade if the first attempt resulted in a grade of C- or lower. The grade and units earned in the second attempt will be used in the GPA (Grade Point Average) calculation even if the second attempt results in a lower grade.

Grade Exclusion Policies

- Grade Exclusion is only applied to a course for which the first attempt final grade was a C-, D+, D, D-, F, or WF.
- Term GPA of the term of the 1st attempt and also cumulative GPA will be recalculated after the final grade of the second attempt is posted by the Registrar.
- Academic standing is calculated based on the initially posted GPA for a semester and will not be recalculated after a grade exclusion is applied.
- Additional repeats of a course after Grade Exclusion has been applied will be averaged with other course grades for the purposes of calculating the GPA.
- All earned grades, including the excluded C-, D+, D, D-, F, or WF grade(s), remain on the student’s academic record and will be listed on the student transcript.
- Units for both the first and subsequent attempts will be factored in for the purpose of calculating the student's completion rate.
- Repeating a course for the purpose of Grade Exclusion is subject to course availability.
- Courses for which Grade Exclusion has been applied cannot be used to satisfy degree requirements.
- Grade Exclusion does not apply to variable content courses:
  - 490 Portfolio Enhancement
  - 493 Study Abroad
  - 494 Corporate Sponsored Project
  - 498 Collaborative Project
  - 499 Special Topics
  - 500 Internship
  - 695 MS: Collaborative Project
  - 699 MS: Special Topics
  - 800 MS: Directed Study
  - 801 MS: Group Directed Study
  - 802 MS: Thesis Forum
  - 900 MS: Internship
  - 903 MS: Study Abroad
Opt In & Opt Out of Grade Exclusion

- **Opt Out of Grade Exclusion: Grade Inclusion**
  Undergraduate students who wish to opt out of the Grade Exclusion Policy must submit a Grade Exclusion/Inclusion Petition form which may be obtained from their advisor.

  **NOTE:** Student Athletes with an active sports roster status are not eligible to file a petition for Grade Inclusion.

  **NOTE:** Both term and cumulative GPA will be recalculated after the grade has been included in the student record. Including a grade may result in a lower GPA. Academic Standing will not be recalculated.

  **FINANCIAL AID NOTE:** Included grades may impact the student's future completion rate SAP calculations.

- **Opt Into Grade Exclusion**
  Students who repeated a course that was not automatically subject to Grade Exclusion may petition for Grade Exclusion by filing a Grade Exclusion/Inclusion Petition form which may be obtained from their advisor.

  **NOTE:** Both term and cumulative GPA will be recalculated after the grade has been excluded in the student record. Excluding a grade may result in a higher GPA. Academic Standing will not be recalculated.

  **FINANCIAL AID NOTE:** Excluded grades may impact the student's future completion rate SAP calculations.

**GRADES OF INCOMPLETE**

A student who is unable to finish the final assignment for a course due to extenuating circumstances may petition for a grade of "I" (Incomplete). A grade of Incomplete is an option only if the student has made satisfactory progress in the course and all other work is up-to-date with only the final project to be completed. Students will be required to demonstrate that they are unable to complete the final assignment due to circumstances beyond the student's control such as a personal emergency or an illness.

**Deadline:** Students must petition for a grade of Incomplete prior to the end of the semester. Requests made after the semester has ended will not be considered, nor will grades of incomplete be granted retroactively.

**NOTE:** Authorization for a grade of Incomplete is not guaranteed and approval will depend on the circumstances leading to the request.

**NOTE:** A student who has a grade of Incomplete in a course that is a prerequisite for a subsequent course may not enroll in the subsequent course until the grade of Incomplete is removed, or the Department Director grants permission for enrollment.

**NOTE:** Incompletes only offer an extension to complete final work. Incompletes do not guarantee access to Academy of Art University facilities or equipment to complete final projects. Students will not receive additional instruction on missed lectures.

**FINANCIAL AID NOTE:** Courses with a grade of Incomplete are considered “in-progress” and will be factored into the GPA and completion rate when the permanent grade is assigned.

Example: A student who receives a grade of Incomplete for the Spring semester has until the Friday before the following Summer semester to change the grade.

**NOTE:** If approved, the student must submit a completed Request for Final Grade Change form prior to the start of the following semester. Failure to submit a Request for Final Grade Change form by the deadline will result in a failing final grade.

**Failure to Meet Deadline:** Failure to make up the incomplete work and file a Petition for Final Grade Change form within the time frame will result in an automatic conversion to a final grade of “F”. A final grade that does not satisfy the prerequisites for a subsequent course may result in an administrative drop from enrolled course and administrative enrollment into the failed course.

**Grade of Incomplete Procedure for Online Classes:**

**Failure to Meet Deadline:** Failure to make up and submit the incomplete work within the time frame will result in a “0” on any incomplete work. A final grade that does not satisfy the prerequisites for a subsequent course may result in an administrative drop from enrolled course and administrative enrollment into the failed course.
STUDENT APPEAL FOR GRADE CHANGE

The student has a right to appeal a final grade if the student believes that the assigned grade does not reflect the student's performance relative to the Course Learning Outcomes.

NOTE: A student will only be permitted to petition for a change of final grade during the semester immediately following the completion of course work for the questioned grade.

NOTE: Academic standing and both cumulative and term GPA will be recalculated after the grade change is processed.

Students are evaluated in terms of the Course Learning Outcomes which are published on the syllabus for each course. Students may access syllabi for in-progress courses electronically online. This resource is available for both on campus and online courses.

The course Grading Policy and Course Learning Outcomes are also accessible through the online course search and registration page. Search for course, select on campus or online and then view the Grading Policy or Course Learning Outcomes tab.

A student who believes he/she has been assigned an improper grade should meet with the instructor and together review the Course Learning Outcomes and the grading used to determine the final grade. If an error is determined, then the student may proceed with the Change of Final Grade Procedure.

Change of Final Grade Procedure:

1. Student obtains Request for Final Grade Change form from the academic department
2. Student submits the Request for Final Grade Change form to the instructor
3. Department Director reviews the Request for Final Grade Change form
4. The Request for Final Grade Change form is processed by the Office of the Registrar

If, after careful review of the grading procedures, the student is still dissatisfied with the instructor’s assessment, or if the instructor refuses to take part in the informal process, the student may appeal to the Department Director. If there is no satisfactory resolution with the Department Director, the student may file a Grievance.

4. The right to file a complaint with the US Department of Education concerning alleged failures by Academy of Art University to comply with the requirements of FERPA. The name and address of the office that administers FERPA is:

Family Policy Compliance Office
U.S. Department of Education
400 Maryland Avenue, SW
Washington, DC 20202

FERPA permits the disclosure of designated “Directory Information” without a student’s written consent, unless a student provides written notification to the Office of the Registrar that they do not want “Directory Information” released. Academy of Art University designates the following as “Directory Information”: student’s name, student picture, e-mail address, degree sought, expected date of graduation, school or college, major field, periods of enrollment, full- or part-time enrollment status, degrees and awards received and dates of conferral, the previous educational agency or institution attended, and participation in officially recognized activities and sports.

A student who wishes to allow another person, such as a parent or guardian, to have continuous access to the student’s educational records must make written notification to the Office of the Registrar, 79 New Montgomery Street, San Francisco, CA 94105. Once filed, this request becomes a permanent part of the student’s record until the student instructs Academy of Art University, in writing, to have the request removed.
DECEASED STUDENT RECORD HANDLING & AWARDING OF POSTHUMOUS DEGREES

Release of Deceased Student Records
Education records are no longer protected under FERPA after a student's death; consequently, the stewardship of records pertaining to a deceased individual is not a FERPA issue but a matter of institutional policy.

During the first year after the death of the individual is recorded, Academy of Art University will release the educational records to family members and agencies contributing to the tuition payments of the student. Following the initial year, records will be provided to any individual upon request.

Awarding of Posthumous Degrees
The family or other interested parties of the deceased student may initiate a request for a posthumous degree through the Office of the Registrar's Completion Committee. The committee will review the request and may recommend to the President the award of a posthumous degree, delivered to the family of the deceased. Posthumous degrees may be awarded when the student had satisfactorily completed at least two-thirds (2/3) of all coursework towards a degree and was actively enrolled at the time of death. Under special circumstances, the President or designee may grant the awarding of a posthumous degree or certificate for a student who has completed less than two-thirds (2/3) of the degree coursework. Petitions for a posthumous degree may be initiated at any time—there is no limit to how much time has transpired between the student’s passing and the request.

F1 IMMIGRATION REGULATIONS AND RESOURCES

A list of websites for resources and detailed information about F1 status requirements is available on academy of art university website. Visit: Academy of Art University Home > Students > My Academy > Student Resources > International Student Resources > Immigration Info & Updates

MAINTAINING F1 STATUS

An F-1 student is admitted to the United States in F-1 status for a period known as “duration of status” (D/S). It is critical that all F-1 visa students to maintain F1 status while in the U.S. Failure to maintain the terms and conditions of the F-1 status may lead to deportation. It is the F1 student’s responsibility to maintain F1 status at all times.

To Maintain F-1 Status:

- Students must be enrolled to study full-time. Undergraduate students must be registered for a minimum of 12 units, while graduate students must be registered for at least 9 units for the fall and spring semesters. Students who fail to follow these rules will lose their F1 status. The summer semester is optional and can be taken as a vacation period, except for new students or students who are returning after a break in their studies.
• Students, who **begin their program of study in the summer semester or are resuming their on campus studies after taking a leave of absence**, are required to register full-time. The full-time requirement in the summer semester is 6 units for graduate and undergraduate students.

• **Only one online class (3 units)** will be counted towards the student's full time enrollment requirement per semester. The summer semester is considered optional and continuing international students may take more than one online class during the summer. This does not apply to new students and continuing international students, who are returning after a leave of absence or continuing students, who are going to complete their degree requirements in the summer semester. Students may take online classes during intersession, unless student is completing all course requirements.

• Students may be authorized to enroll in less than a full course of study, if they have academic difficulties, a medical condition, pre-requisite issues or are in their last semester. Students must receive permission from the International Student Services Office prior to enrolling in a reduced course load or dropping below a full course of study. Failure to receive prior permission could jeopardize the student's F1 status.

• Students must attend every class session. **If a student misses three (3) or more classes, s/he may be removed from the course** and will be considered to be “Out of Status”. An “Out of Status” situation will result in the termination of the student's SEVIS record.

• Students must maintain a minimum GPA of 2.0 (average). Students who fall below this GPA will be placed on probation and may face academic dismissal in the following semester. International students who have been academically dismissed for the first time will not be able to register for classes for at least one semester. International students who have been permanently dismissed will not be able to continue their studies at academy of art university. A dismissal from school will have a negative impact on the student's F1 status and options should be discussed with the International Student Services Office.

• Students struggling with a full-time course load, class assignments or time management are strongly encouraged to contact the **Academy Resource Center (ARC)**. Please be advised that a heavy workload or major change is not grounds for dropping to part-time status or stopping to attend classes.

• **Any change or problem with the F1 visa or status, change of address, change of major or academic program, must be reported to the International Services Department within 10 days of their occurrence.** International students are required to update their local US address with academy of art university. To update the local US address, students should log into the online **Learning Management System (LMS)** account and update the Home address or inform the International Student Services Office via email.

• International Students are required to keep a valid passport for at least 6 months into the future, unless exempt from the passport requirement.

• Students should remain in the U.S. for no longer than **60 days** after completing the full course of study, unless s/he has followed procedures for applying for practical training, moving educational levels, or transferring schools. Students who withdraw from school before completing their course of study (authorized early withdrawal) must leave the U.S. within **15 days**. **Students whose records are terminated for a status violation have no grace period and must leave the U.S. immediately.**

• **Off-campus employment is strictly forbidden**, except for students with authorized work authorization. On-campus employment is allowed part-time (20 hr./week) during the spring and fall semester and full-time (40 hr./week) during school breaks.
TRAVELING IN-BETWEEN SEMESTERS

Students who wish to travel between semesters must enroll for the next semester prior to traveling and should have the following documents readily available when re-entering the US:

- Valid Form I-20 with a valid travel signature on the 3rd page. The travel signature should not be older than 12 months when re-entering the US.
- Valid passport. The passport must be valid for at least 6 months into the future upon re-entry to the US
- Valid F1 visa. If the F1 visa is expired prior to departure or going to expire prior to re-entry, international students must apply for a new F1 visa before re-entry to the US. For more detailed information about the F1 visa renewal, students should contact the International Student Services Office.

LEAVE OF ABSENCE

International students planning to take a break in their studies discontinue their studies or take all courses online, are required to apply for a Leave of Absence in order to handle their SEVIS record accordingly. **Students who apply for a Leave of Absence must depart the US within 15 days** of the date of notification of the leave of absence, the date of withdrawing from school, or the date of school advisement.

An F1 visa student not enrolled and attending school during required semesters will have no legal status to remain in the country and would be considered to be out of status. International students who are not planning to enroll or attend classes during required semesters should contact the International Student Services Office to discuss their F1 visa status and possible options.

**NOTE:** Academy of Art University does not grant Leave of Absences for domestic students.

Taking All Courses Online

F1 students planning to take all courses online may do so outside the United States. Students who are planning to continue their studies online cannot remain in the US and must apply for a Leave of Absence so that the International Students Services Office can handle their SEVIS record accordingly.

PROCESS FOR AN APPROVED LEAVE OF ABSENCE

Students planning to apply for a Leave of Absence before a new semester begins are required to completed the Leave of Absence Request Form and upload their flight itinerary.

Students returning home due to family emergency, medical or personal reasons after semester begin and class attendance must follow the procedure outlined below:

- Notify your academic advisor and the International Student Services Office about your situation and purchase your flight ticket. Keep in mind that you must depart the US within 15 days of either withdrawing from the semester or changing from onsite to online classes.
- Complete the Leave of Absence Request Form online and upload flight ticket:
- You will be approved to withdraw from the semester or change your classes from onsite to online after the International Student Services Office received your Leave of Absence Request Form.

SEVIS Termination due to “Authorized Early Withdrawal”

Upon receipt of the above mentioned documents, the International Student Services Office will terminate the student’s SEVIS record for “authorized early withdrawal” one day after the student’s departure, which is a positive termination that should have no negative impact on any future visa applications. The termination of the SEVIS record also means that the current Academy of Art University I-20 is no longer valid for re-entry to the US.

**NOTE:** SEVP policies require that a student’s SEVIS record is terminated for “authorized early withdrawal” during the timeframe of the leave of absence.

**NOTE:** The current Academy of Art University I-20 and F1 visa cannot be used for any re-entry into the country during the timeframe of the leave of absence.

**NOTE:** A return flight ticket should not be purchased before a new I-20 is issued or the terminated SEVIS record has been re-activated, unless the departure date can be changed if necessary or the departure ticket is refundable.

**NOTE:** A Leave of Absence hold will be placed on the student’s account and no on campus enrollment will be possible until the returning student has either a new I-20 or the previous I-20 has been re-activated.
RETURN FROM LEAVE OF ABSENCE

Students planning to resume their on campus studies after taking a Leave of Absence should contact the International Student Services Office via email at least 2 to 3 months before their intended return date. The email should include the student’s full name, student ID number and semester they plan to return. The International Student Services Office will respond with a comprehensive email, including all the necessary steps and documents, for a successful return.

SEVIS Re-Activation

International students who are resuming their on campus studies within 5 months of their last day of class attendance will be eligible for a re-activation of their SEVIS record. The re-activation of the SEVIS record will be processed by the SEVIS Helpdesk and will take approximately 2 weeks. The re-activation cannot be requested earlier than 30 days before the new semester start date or 30 days before the planned visa renewal application. Students who qualify for the re-activation of their SEVIS record will not be able to re-enter the US until the SEVIS Helpdesk has approved the re-activation and changed the SEVIS record from “terminated” to “active”.

New SEVIS Record/ New Form I-20

International students, who are resuming their on campus studies after 5 months of their last day of class attendance, will not be eligible for a SEVIS re-activation and must apply for a new I-20, pay the $200 SEVIS and a new F1 visa.

Per immigration regulations the F1 visa becomes automatically invalid after spending 5 consecutive months outside the US. Students who are returning to the US within 5 months of their departure and whose F1 visa is still valid on the day they plan to re-enter are not required applying for a new F1 visa. Students returning to the US 5 months after their departure are required to apply for a new F1 visa. For more detailed information about this policy, please visit the US Department of State.

NOTE: Students who are planning to apply for post-completion OPT, must be in valid F1 status for one academic year. The academic year will begin with the start date on the I-20. Students returning after a Leave of Absence with a new I-20 should have enough classes left to complete one academic year in F1 status from the program start date on their new I-20.

EMPLOYMENT

International students are eligible for on- and off-campus employment. However, like all non-immigrant categories, the F1 category is bound by the general restriction on employment stated by the Department of Homeland Security. In order to maintain valid F1 status, a student must not work in the US, unless the employment is specifically authorized under the regulations.

Types of employment available to F1 students are:

- On Campus Employment
- Employment authorized because of severe economic hardship
- Practical Training (curricular and optional practical training)

Each category requires the student to currently maintaining valid F1 status. A student who is out of status is not eligible for F1 benefits, including employment. Each F1 employment category has specific eligibility requirements, and most are also divided into subcategories. International students will find information sheet for each off campus work authorization online and should work directly with the International Student Services Office for questions or application processing.

On Campus Employment

F1 students are generally permitted to work part-time on the premises of the school that issued their currently valid I-20, while they are attending that school and are maintaining their F1 status. This type of employment does not require DHS authorization or updates to a student’s SEVIS record. On campus employment is limited to 20 hours per week while school is in session and can be full-time (up to 40 hours/week) during official school breaks.
Off Campus Employment

International students may be authorized for off campus employment under the following circumstances:

- Employment authorized because of severe economic hardship (EH)
- Practical Training
  - Curricular Practical Training (CPT)
  - Optional Practical Training (OPT)

Any type of off campus employment must be recommended in SEVIS by the International Student Services Office. F1 students cannot begin the off campus employment until s/he received appropriate work authorization. In order to qualify for any type of off campus employment, international students must have been in valid F1 status for at least one full-academic year.

Economic Hardship (EH)

The economic hardship employment authorization benefit is intended to address situations where a financial need beyond the student’s control arises due to circumstances beyond the student control after obtaining F1 status. This work authorization is being processed and granted by USCIS. If approved, the F1 student will be able to work off campus for 12 months, or until program end date, whichever is earlier. This work authorization is limited to 20 hours per week while school is in session and can be full-time (40 hours/week) during official school breaks. This particular work authorization is not employer or major specific.

The International Student Services Office will assist international students in assembling all the necessary application materials and filing the application with USCIS. For more detailed information, F1 students may review the EH Information Sheet and/or stop by at the International Student Services Office during Drop In Hours.

Curricular Practical Training (CPT)

CPT is considered short term employment that is an integral part of an established curriculum and directly related to the student’s major area of study. It allows students to gain practical experience while in school and is authorized by the International Office. CPT must be part-time, 20 hours per week or less during any Spring and Fall semester while enrolled in a full course load. Consequently, any internship or short term employment must be in the S F Bay Area, unless the internship is during the summer and student is scheduled to resume onsite classes in the following Fall semester. CPT can be authorized full-time during the Summer semester only. Students are not permitted to engage in any work prior to receiving their CPT authorization. Furthermore, students should not work more than the authorized amount of hours or beyond the timeframe indicated on the I-20.

Students are eligible for CPT under the following conditions:
1) Student is enrolled in degree seeking program
2) Student has not yet completed degree
3) Student has maintained F1 status for at least 1 academic year
4) Student is registered for internship class
5) Student has an internship or short term employment offer that applies directly to major

CPT processing when student is registered for the internship class:

- Student must work with academic advisor to enroll in the internship class. To be registered for the internship class, student must provide a copy of the offer letter and obtain approval from the program director.
- Once the student is registered for the internship class, the International Student Services Department will review all documents and process the student's CPT authorization within 2 business days.
- Student will be notified via email when the CPT I-20 is ready for pickup.

Exceptions when students are not eligible for internship class:
- Student has already used all available internship units
- Student has no units that can be used for internship class
- Student received internship offer after class registration period
- Student has not yet achieved the required unit amount
  - UGRAD: must have completed 66 units (EAP will not be counted) to be considered
  - GRAD: must have completed 36 units (EAP will not be counted) to be considered
- Student does not have the required GPA of 3.0
  - Student must meet all other requirements and be fairly close to required GPA to be considered
CPT processing when exception applies:
- Student must obtain approval for internship/short term employment from program director. Approval can be obtained by email. Student must provide copy of offer letter to program director for review.
- Student must complete [CPT I-20 Request Form](#) and upload a copy of the job offer letter and a screenshot of the approval email from program director.
- The International Student Services Office will review the CPT I-20 Request Form and uploaded documents and process the request within 2 business days.
- Student will be notified via email when the CPT I-20 is ready for pickup.

CPT Processing:
1. Academic Advisor will provide Internship Application packet to student, including Internship Application Form. The Internship Application Form should either be For Credit or Not For Credit. When using a Not For Credit Internship Application Form the academic advisor is required to indicate the appropriate reason on the form.
2. Student must submit required documents (Application Form and Offer Letter) to academic advisor for further processing. The Offer Letter must include everything that is noted on the Internship Application Form.
3. The International Department will review and process CPT after documents have been scanned and noted in the Internship Database. After CPT was authorized student will receive a notification email from the International Office.

NOTE: F1 students who engage in 12 months or more of full-time CPT become ineligible for OPT. The use of part-time CPT does not count towards the 12 months of full-time CPT, and consequently does not impact OPT eligibility. Academy of Art University students will not be eligible for 12 months of full-time CPT.

Optional Practical Training (OPT)
OPT is defined in the regulations as “temporary employment for practical training directly related to the student’s major area of study.” OPT must be recommended by the International Student Services Office in SEVIS and is granted by USCIS. F1 students must not engage in any type of paid employment before receiving the appropriate Employment Authorization Document (EAD).

Three kinds of OPT can be identified:
- **Pre-completion OPT** (while student is still enrolled in school and has not completed all degree requirements)
- **Post-completion OPT** (student has completed degree and all course work towards program completion)

Per immigration regulations, F1 students are eligible for a total of 12 months of OPT per higher education level. The 12 months of OPT can be split in pre- and post-completion OPT. Any time used in pre-completion OPT will be subtracted from the total of 12 months. This means that F1 students who have been approved for 1 year part-time pre-completion OPT, will have only 6 months of full-time post-completion OPT left after program completion. Most international students do not use any pre-completion OPT in order to have a total of 12 months of post-completion OPT available after program completion.

Students who would like to apply for OPT or the 24-month STEM Extension should review the [International Student Services Office](#) website as well as the [OPT](#) and [STEM Extension](#) tutorial.

Students who have questions or need assistance with their application, should reach out to the International Student Services Office by email or stop by during regular Drop In Hours.

Dependents of International Students
The spouse and unmarried minor children of an F1 visa student can be admitted in F2 status to accompany the student to the US or follow to join the student at a later date.
To qualify for F2 status, a spouse or unmarried, minor (under age 21) child must establish to the satisfaction of the consular officer and the immigration officer at the port of entry that:

Academy of Art University expects all members of its community to promote free expression as appropriate to the curriculum, while maintaining an environment conducive to learning and responsible academic behavior. Academy of Art University's expectations of responsible academic behavior include, but are not limited to:

- Engagement in learning in a tolerant, respectful, and informed manner;

Faculty and administrators thus have the following responsibilities:

- Encourage free expression as appropriate to the curriculum;
- Avoid introducing material that has no relation to the course objectives;

All material submitted for credit must be original work created for a specific assignment. Students may not resubmit work created for previous or concurrent courses taken at Academy of Art University or any other institution unless permission is given by the instructor or department.

Academy of Art University addresses violations of this academic honesty policy on an individual basis. Academic honesty violations may be grounds for suspension or dismissal.

PLAGIARISM

All art and design work, and all written work, must be the original work of the student and a result of their independent effort. Any art and design work previously created by the student for another project and/or purpose may not be reused and claimed as original work. Any quotations, paraphrases, or direct appropriation of imagery or ideas from source material must be properly cited according to university, departmental, and/or instructor policy. All work created in collaboration used in whole (or in part) must be acknowledged as such, and correctly attributed to all co-creators.

Any student who plagiarizes will receive a grade of “F” for that assignment, project, or project or assignment step, with no opportunity to do the assignment again. All plagiarism offenses will be reported to the Department Director and to the Educational Services Office. Multiple instances of plagiarism in a single class will result in a final course grade of F, and a notation will be indicated on the student’s transcript.

Title IX prohibits the Academy of Art University ("University") from discriminating on the basis of sex in the administration of the University's programs and activities. The Academy of Art University does not discriminate on the basis of sex in its educational programs or activities and prohibits unlawful harassment including sexual harassment and sexual violence. Sexual harassment and sexual violence are types of prohibited sex discrimination. Other acts can also be forms of sex-based discrimination and are also prohibited, whether sexually based or not, and include dating violence, domestic violence, and stalking. The Academy of Art University’s prohibition on sex discrimination includes discrimination based on one’s gender identity or expression, one’s transgender status, pregnancy or parental status.

The Academy of Art University reaffirms its commitment to compliance with the stipulations contained in the Violence Against Women Act (VAWA) and Campus SaVE Act to maintain a campus environment emphasizing the dignity and worth of all members of the University community. The following people have been designated to handle Title IX inquiries and complaints:

Christina Petricca, Title IX Coordinator
79 New Montgomery Street, Room 475
San Francisco, CA 94105
(415)618-8021
cpetricca@academyart.edu

Lynda España, Deputy Title IX Coordinator
79 New Montgomery Street, Room 360
San Francisco, CA 94105
(415)618-3813
lespana@academyart.edu
The University's primary concern is the safety of members of the campus community. The use of alcohol or drugs never makes the victim at fault for sexual violence. Students or employees who are victims of sexual violence should not be deterred from reporting incidents of sexual violence as they will not be disciplined for related violations of drug, alcohol, or other University policies except in extreme circumstances.

The process outlined below is designed to carry out the University's responsibilities under Title IX of the Education Amendments of 1972, the Violence Against Women Act and the Campus SaVE Act. This procedure is designed to respond to reports of sex discrimination, sexual harassment, sexual assault, domestic violence, dating violence, and stalking and also is designed to address all instances in which an Academy of Art University student or employee while enrolled or employed at the University, is alleged to have engaged in such prohibited conduct.

The University will treat students consistent with their gender identity. Students shall have the right to use the restroom that coincides with their gender identity. To the extent the University is not legally required to use a student's legal name on University records or documents, the University shall use the name and gender preferred by the student. A student does not need to change his or her official records as a condition of being addressed by the name or gender of the student's choice, but should notify the Registrar's office of their preferred name or gender. The University will change a student’s official record to reflect a change in legal name or gender upon receipt of documentation that such change has been made pursuant to a court order, amendment of state or federally issued identification or other appropriate documentation.

B. Definitions
There are numerous terms used by the Academy of Art University in our policy and procedures. These include the following:

**Sexual Harassment:** A form of sex discrimination, is unwelcome verbal, nonverbal or physical conduct of a sexual nature that includes, but is not limited to, sexual violence, sexual advances, requests for sexual favors, and indecent exposure, where:

a. Submission to, or rejection of, the conduct is explicitly or implicitly used as the basis for any decision affecting a student’s academic status or progress, or access to benefits and services, honors, programs, or activities available at or through the University; or

b. Such conduct is sufficiently severe, persistent or pervasive that its effect, whether or not intended, could be considered by a reasonable person in the shoes of the student, and is in fact considered by the student, as limiting the student’s ability to participate in or benefit from the services, activities or opportunites offered by the University; or

c. Submission to, or rejection of, the conduct by a University employee is explicitly or implicitly used as the basis for any decision affecting a term or condition of employment, or an employment decision or action; or

d. Such conduct is sufficiently severe, persistent or pervasive that its effect, whether or not intended, could be considered by a reasonable person in the shoes of the University employee or third party, and is in fact considered by the University employee or third party, as intimidating, hostile or offensive.

To make a determination of whether a report of prohibited sexual harassment is true for a student or students, the University will consider a variety of factors related to the severity, persistence or pervasiveness of the sex-based harassment, including (1) the type, frequency, and duration of the conduct; (2) the identity and relationships of persons involved; (3) the number of individuals involved; (4) the location of the conduct and the context in which it occurred; and, (5) the degree to which the conduct affected one or more student's education. The more severe the sex-based harassment, the less need there is to show a repetitive series of incidents to find a violation. A series of incidents may be sufficient to find a violation even if the sex-based harassment is not particularly severe.

Sexual Harassment also includes acts of verbal, non-verbal or physical aggression, intimidation or hostility based on gender or sex stereotyping, even if those acts do not involve conduct of a sexual nature. Prohibited sexual harassment at times occurs in person, online through social media and via text or other electronic messaging.

**Appropriate Administrator:** For incidents involving student discipline, the appropriate administrator would be the Title IX Coordinator and/or Deputy Title IX Coordinator. For allegations or investigations where a faculty or staff is the respondent, the appropriate administrator would be the Human Resources Department in conjunction with the Department Director. The Title IX Coordinator is the Appropriate Administrator for respondents who are initially enrolled as students and have obtained employment with the University through their status as a student. Human Resources is the Appropriate Administrator for respondents who are initially employed with the University and are taking classes as a student, as a benefit of their employment with the University.
Sexual Violence: A form of sexual harassment and means physical sexual acts, such as unwelcome sexual touching, sexual assault, sexual battery, rape, domestic violence, dating violence, and stalking (when based on gender or sex) perpetrated against an individual against his or her will and without consent or against an individual who is incapable of giving consent due to that individual's use of drugs or alcohol, status as a minor, or disability. Sexual violence may include physical force, violence, threat or intimidation, ignoring the objections of the other person, causing the other person's intoxication or incapacitation through the use of drugs or alcohol, or taking advantage of the other person's incapacitation (including voluntary intoxication). Men as well as women can be victims of these forms of sexual violence. Unlawful sexual intercourse with a minor (statutory rape) occurs even if the intercourse is consensual when the victim is under 18 years old, because the victim is considered incapable of giving legal consent due to age.

Sexual Misconduct: Includes sexual harassment, sexual assault, dating violence, domestic violence, and stalking.

Sexual Assault: A form of sexual violence and is an actual or attempted sexual contact with another person without that person's consent. Sexual assault includes, but is not limited to:
(1) Intentional touching of another person's intimate parts without that person's consent; or
(2) Other intentional sexual contact with another person without that person's consent; or
(3) Coercing, forcing or attempting to coerce or force a person to touch another person's intimate parts without that person's consent; or
(4) Sexual contact or behavior that occurs without consent.

Sexual Battery: A form of sexual violence and is any willful and unlawful use of force or violence upon the person of another because of that person's gender or sex.

Rape: A form of sexual violence and is non-consensual sexual intercourse that may also involve the use of threat of force, violence, or immediate and unlawful bodily injury or threats of future retaliation and duress. Any sexual penetration, however slight with any object, is sufficient to constitute rape. Sexual acts including intercourse are considered non-consensual when a person is incapable of giving consent because s/he is incapacitated from alcohol and/or drugs, is under 18 years old, or if a mental disorder or developmental or physical disability renders the person incapable of giving consent. The accused's relationship to the person (such as family member, spouse, friend, acquaintance or stranger) is irrelevant.

Acquaintance Rape: A form of sexual violence committed by an individual known to the victim. This includes a person the victim may have just met; i.e., at a party, introduced through a friend, or on a social networking website. (See above for definition of "rape").

Consent: An informed, affirmative, conscious decision by each participant to engage in mutually agreed-upon sexual activity.
- Consent must be voluntary, clear and knowing, and given without coercion, force, threats, or intimidation. Consent requires positive cooperation, through words and actions, in a particular sexual act, or expression of intent to engage in that sexual act through the exercise of free will.
- Consent can be withdrawn or revoked at any time. Consent to one form of sexual activity (or one sexual act) does not constitute consent to other forms of sexual activity (or other sexual acts). Consent to sexual activity given on one occasion does not constitute consent to sexual activity on another occasion. The fact that two people are or were in a dating or sexual relationship does not constitute consent to engage in sexual activity. There must always be mutual and affirmative consent to engage in sexual activity. Consent to a sexual act may be withdrawn or revoked at any time, including after penetration. The complainant's request for the respondent to use a condom or birth control does not, in and of itself, constitute consent. Once consent is withdrawn or revoked, the sexual activity must stop immediately.
- Consent cannot be given by a person who is incapacitated. For example, a person cannot give consent if s/he is unconscious or coming in and out of consciousness. A person is incapacitated if s/he lacks the physical and/or mental ability to make informed, rational judgments. Examples of incapacitation include unconsciousness, sleep and blackouts. Whether an intoxicated person (as a result of using alcohol or other drugs) is incapacitated depends on the extent to which the alcohol or other drugs impact the person's decision-making capacity, awareness of consequences, and ability to make fully informed judgments. A person with a medical or mental disability may also lack the capacity to give consent.
- Being intoxicated by drugs or alcohol does not diminish a person's responsibility to obtain consent from the other party before engaging in sexual activity. Factors to be considered include whether the person knew, or whether a reasonable person in the accused's position should have known, that the victim did not give, or revoked, consent; was incapacitated; or was otherwise incapable of giving consent.
Sexual Exploitation: Occurs when a person takes sexual advantage of another person for the benefit of anyone other than that person without that person’s consent. Examples could include: Recording or live-streaming images or audio of another person’s sexual activity or intimate body parts without that person’s consent; distributing (including on social media) images or audio of another person’s sexual activity or intimate body parts without that person’s consent; Viewing another person’s sexual activity or intimate body parts in a place where that person would have a reasonable expectation of privacy, without that person’s consent.

Domestic Violence: A form of sexual violence and is abuse committed against someone who is a current or former spouse, current or former cohabitant with the complainant as a spouse or intimate partner, someone with whom the respondent has a child, someone with whom the respondent has or had an intimate dating or engagement relationship, or a person similarly situated under California domestic or family violence law.

Factors that may determine whether persons are cohabiting include, but are not limited to: (1) sexual relations between the parties while sharing the same living quarters, (2) sharing of income or expenses, (3) joint use or ownership of property; (4) whether the parties hold themselves out as spouses or domestic partners, (5) the continuity of the relationship, and (6) the length of the relationship.

Dating Violence: Violence committed by a person who is or has been in a social relationship of a romantic or intimate nature with the complainant. The existence of such a relationship shall be determined based on the complainant and respondent’s statements and with consideration of the length of the relationship, the type of relationship, and the frequency of interaction between the persons involved in the relationship. For purposes of this definition dating violence includes, but is not limited to, sexual or physical abuse or the threat of such abuse. Dating violence does not include acts covered under the definition of domestic violence.

Stalking: A repeated course of conduct directed at a specific person (when based on gender or sex) that places that person in reasonable fear for his/her or others’ safety, or to suffer substantial emotional distress. A reasonable person means a reasonable person under similar circumstances and with similar identities to the complainant. Substantial emotional distress means significant mental suffering or anguish that may, but does not necessarily require, medical or other professional treatment or counseling.

Proceeding: Any activity that seeks to invoke the power of the Appeal Committee in order to enforce a university regulation or rule.

Result: The consequence, effect or outcome of a proceeding.

Business Days: Consist of Monday through Friday of each week (regular work week). This excludes holidays observed by the University during the course of the regular work week.

Retaliation: Includes but is not limited to threats, reprisals, intimidation and/or adverse educational actions against a person based on their report of prohibited conduct or participation in an investigation, report or disciplinary process.

Responsible Employee: Any employee of the University who has the authority to take action to redress sexual violence or who a student reasonably could believe has such authority. Examples of responsible employees at the Academy of Art University include, but are not limited to, student services advisors, Department Directors, resident assistants or faculty members. A responsible employee must report to the Title IX coordinator all relevant details about the alleged sexual violence shared by the victim and that the University will need to determine what happened. (see Appendix A for a list of possible responsible employees.)

Awareness Programs: Programs, campaigns, or initiatives that increase audience knowledge of the issues of sex discrimination, sexual assault, domestic violence, dating violence and stalking and share information and resources to prevent interpersonal violence, promote safety, and reduce perpetration. These efforts can include campus community-wide mobilizations as well as targeted audience specific programming (including both students and employees). Awareness month campaigns, "Speak Outs," rallies or marches, informational poster campaigns or resource websites, and educational programming that focuses on sharing resources and information about these issues are examples of awareness programs.

Risk Reduction: Procedures or programs designed to decrease perpetration and bystander inaction; increase empowerment for victims in order to promote safety; and help individuals and communities address conditions that facilitate violence.
**Bystander Intervention:** Safe and positive options that may be carried out by an individual or individuals to prevent harm or intervene in situations of potential harm when there is a risk of sexual assault, sexual harassment, domestic violence, dating violence or stalking against a person other than the individual. Effective bystander intervention training prepares participants to recognize situations of potential harm, overcome barriers to intervening, identify safe and effective intervention options and take action.

**Primary prevention programs:** Programming, initiatives and strategies intended to stop sex discrimination, sexual assault, domestic violence, dating violence and stalking before it occurs and to prevent initial perpetration or victimization through the promotion of positive and healthy behaviors and beliefs. Efforts to change behavior and social norms, and promote healthy relationships, healthy sexuality and egalitarian gender roles, or efforts to understand risk factors and protective factors for bystander inaction and change social norms around bystander inaction are all examples of primary prevention.

**Ongoing Awareness and Prevention Campaigns:** Campaigns that are sustained over time focusing on increasing awareness or understanding of topics relevant to sex discrimination, sexual assault, domestic violence, dating violence and stalking prevention. These programs will occur at different levels throughout the institution (i.e. faculty, athletics, incoming students) and will utilize a range of strategies. Ongoing awareness and prevention campaigns may include information about what constitutes sex discrimination, sexual assault, domestic violence, dating violence and stalking, changing social norms, promoting recognition of perpetrator tactics, enhancing understanding of consent, and advancing pro-social behaviors of individuals and communities. Effective ongoing awareness and prevention campaigns will include developmentally appropriate content for the specific audience and their knowledge and awareness level and provide positive and concrete ways for individuals to get involved.

**C. Education and Prevention Programs**
The University has purchased training online modules for students and employees and will disseminate the videos each semester. The online version has a tracking device to show that the student has taken the course. Below is a description of the modules provided to students:

![Campus Clarity's course titled “Think About it: Campus SaVE.”](image)

All new students will be provided with Campus Clarity’s course titled “Think About it: Campus SaVE.” The course provides students with information about abusive relationships, dating violence, options for bystander intervention, sexual assault, sexual violence, sexual harassment, reactions of survivors of sexual assault, consent, interim measures and Title IX conduct proceedings among other important topics.

Employees will be provided training through LawRoom. The course for employees, titled “Bridges: Building a Supportive Community” will include training on the topics of sexual harassment, potential conduct violations, employee role to report instances of sexual assault, stalking, dating violence and domestic violence, bystander intervention training and risk reduction.
The University will participate in ongoing prevention and awareness campaigns including programming, initiatives and strategies throughout each school year to promote awareness of dating violence, domestic violence, sexual assault, sexual harassment and stalking. This includes social media posts, email blasts, presentations to students, faculty and staff, posters, and booths at campus events among other programs that may be developed throughout the academic year.

D. Procedures for Making a Title IX Report
If a report of sex discrimination, including sexual assault, domestic violence, dating violence or stalking is made to the University the procedures outlined below will be followed. The University will not require the person making the report (also referred to as the "complainant") to participate in any investigation or disciplinary proceeding if the complainant does not wish to participate.

The University generally will not notify parents or legal guardians of a sexual violence report unless the victim is under 18 years old or the victim provides the University with written permission and requests the University do so. If there is a health and safety issue (e.g., immediate threat to self or others), the University may notify parents or legal guardians, regardless of the complainant’s age, as allowed under the Family Educational Rights and Privacy Act (20 U.S.C. §1232g).

The procedures set forth below are intended to afford all complainants and the person whose conduct is at issue (referred to as “respondent”) a prompt, fair and impartial process for resolving the report of sex discrimination, including sexual assault, domestic or dating violence, and stalking, to maintain confidentiality and fairness consistent with applicable legal requirements, and to impose appropriate sanctions on violators of this policy.

Reporting Options

Complaint to the Title IX Coordinator
A Title IX report can be called a “complaint” and can be brought forward by a complainant who has experienced sex discrimination, sexual harassment, sexual assault, domestic violence, dating violence or stalking by contacting the Title IX Coordinator, or in the event the Title IX Coordinator is absent or unavailable, by contacting the Deputy Title IX Coordinator:

Christina Petricca, Title IX Coordinator

(415)618-8021

Lynda España, Deputy Title IX Coordinator

Pursuant to Title IX of the Education Amendments of 1972 and the U.S. Department of Education’s implementing regulations at 34 C.F.R. Part 106, the University’s Title IX Coordinator has primary responsibility for coordinating the University’s efforts to comply with and carry out its responsibilities under Title IX, which prohibits sex discrimination in all University operations as well as retaliation for the purpose of interfering with any right or privilege secured by Title IX. The Title IX Coordinator oversees the University’s response to reports and complaints that involve possible sex discrimination to monitor outcomes, identify and address any patterns and assess effects on the campus climate, so the University can address issues that affect the wider school community.
A student should contact the Title IX Coordinator or Deputy Title IX Coordinator in order to:
- File a complaint/make a report of sex discrimination, sexual assault, domestic violence, dating violence or stalking.
- Seek information about students’ rights and courses of action available to resolve reports or complaints that involve potential sex discrimination and/or sexual misconduct.
- Report any type of retaliation against a complainant or participant in an investigation or appeal hearing that relates to this Policy.
- Notify the University of an incident, policy or procedure that may raise potential concerns of matters that relate to this Policy.
- Get information about available resources (including confidential resources) and support services relating to sex discrimination, including sexual misconduct.
- Ask questions about the University’s policies and procedures related to sex discrimination, including sexual misconduct.

The Title IX Coordinator is also responsible for facilitating ongoing training and consultation for all students, faculty and staff; overseeing adequate, reliable, and impartial investigations of reports and complaints of sexual misconduct; coordinating and implementing interim measures to ensure the complainant’s equal access to the University’s programs and activities and to protect the complainant as necessary; monitoring the University’s compliance with Title IX; assessing and analyzing the campus climate; and advising the University to develop and implement effective Title IX policies.

Responsible University Employee

While students should report any issues that relate to the matters addressed in this Policy to the Title IX Coordinator, Deputy Coordinator or Campus Safety, if a responsible employee of the University becomes aware of an incident that could be a possible violation of this Policy, the responsible employee shall forward it to the Title IX Coordinator. A responsible employee should not share the information with law enforcement without the complainant’s consent or unless the complainant has also reported the incident to law enforcement.

Before a complainant reveals any information to a responsible employee, the employee should ensure that the complainant understands the employee’s reporting obligations. If the complainant wishes to maintain confidentiality the employee should direct the complainant to confidential resources (see Section M – Informational Resources; Appendix B Resources).

If the complainant wishes to tell the responsible employee what happened but also maintain confidentiality, the employee should tell the complainant the University will strongly consider the request but cannot guarantee the University will be able to honor the request. When reporting the matter to the Title IX Coordinator the employee will also inform the Coordinator of the victim’s request for confidentiality.

Report to Campus Safety or Local Law Enforcement

Any student who has experienced domestic violence, dating violence, sexual assault or stalking may make a report to Campus Safety and/or local law enforcement. Campus Safety will also notify the Title IX Coordinator of the complaint.

After an incident of sexual assault, dating violence and/or domestic violence, the complainant should consider seeking medical attention as soon as possible at a medical facility. Although the University strongly encourages all members of its community to report these types of matters to law enforcement, it is the student’s choice whether or not to make such a report. Students have the right to decline involvement with the police.

Campus Safety will assist any complainant with notifying local police if they so desire. The San Francisco Police Department may also be reached directly by calling 415-553-0123. Additional information about the San Francisco Police Department may be found online at http://sf-police.org. Students have a right to file a complaint with governmental authorities, including the police and a Title IX complaint with the University simultaneously.

The Campus Safety Department will assist any complainant with obtaining and enforcing a no contact order or restraining order and will inform complainants of that right. Complainants may contact the San Francisco Police Department or Campus Safety for information about available options. Campus Safety can assist with no contact orders through the University and will assist with the enforcement of those orders at the University or affiliated University activities, but cannot issue orders of protection such as a restraining order.

Students can also contact the Department of Education, Office of Civil Rights to file a report. Reporting to the Department of Education directly however will not provide the University with notice unless a complaint is also filed with the University’s Title IX Coordinator.
Procedures for University Disciplinary Action

Procedures are in place for University disciplinary action for sexual violence, domestic violence, dating violence, and stalking. Such proceedings shall provide a prompt, fair, and impartial investigation and resolution to complaints. Such proceedings shall be conducted by officials who receive annual training on issues related to these offenses as well as how to conduct an investigation and hearing process that protects the safety of victims while promoting accountability. The University's goal is to complete all investigations and decisions regarding appropriate remedies within 60 days of the University’s receipt of a Title IX Complaint, absent extenuating circumstances (see Section I – Extension of Timelines).

For students, sex discrimination, sexual harassment, sexual assault, domestic violence, dating violence, and stalking are violations of the Student Conduct Code and may result in disciplinary action. Employees who violate this policy may also be subject to discipline, up to and including termination of employment. Sexual assault, domestic violence, dating violence, and stalking are criminal acts which also may subject the respondent to criminal and civil penalties under federal and state law. The University may expel a student or terminate an employee if that individual is convicted by a court of law of the offense of rape, acquaintance rape or any other forcible or non-forcible sex offenses.

E. Interim Measures

Once the Title IX Coordinator receives a report of sex discrimination, sexual harassment, sexual assault, domestic violence, dating violence or stalking, the Title IX Coordinator will evaluate the complaint and decide whether to initiate a formal investigation. The Title IX Coordinator and Campus Safety will determine whether interim interventions and protective measures should be implemented, and, if so, take steps to implement those protective measures as soon as possible to prevent recurrence of any discrimination and to correct its discriminatory effects on the complainant and others, if appropriate.

The University will also:
- Inform complainants of their right to simultaneously report a crime to Campus Safety and/or local police and provide complainants with assistance if desired.
- Provide interim remedies requested by the complainant, as reasonably available, regardless of whether the complainant chooses to report sexual violence to Campus Safety or local police.
- Assist complainants in accessing available victim advocacy, University support, counseling, medical/health or mental health services, and off campus legal assistance;
- Provide security and support, which could include issuing a no-contact order, security escorts, helping arrange a change of campus-based living, working arrangements or course schedules and assist with adjustments for class assignments, tests, or work duties;
- Work with the San Francisco Police Department to enforce any restraining orders issued as a result of a report of sexual violence, sexual assault or stalking.

Violations of the Title IX Coordinator’s and Campus Safety’s directives and/or protective measures will constitute related violations that may lead to additional disciplinary action. Any retaliation against an individual for filing a Title IX complaint or participating in a Title IX investigation is prohibited.

To the extent of the complainant’s cooperation and consent, University offices, including Campus Safety and Housing will work cooperatively to ensure that the complainant’s University-related health, physical safety, work and academic status are protected; pending the outcome of a formal University investigation of the complaint. For example, if reasonably available, a complainant may be offered changes to academic, living, or working situations in addition to counseling, health services and assistance in notifying appropriate local law enforcement. Campus Safety and the Title IX Coordinator are responsible for assisting the complainant with these accommodations.

F. Confidentiality

If a complainant requests that his/her identity be kept confidential, his/her name will not become a matter of University public record. Campus Safety will report the incident to the Title IX Coordinator only. Personal identifiable information about the complainant and respondent will be treated as confidential and only shared with persons with a specified need to know or who are investigating/adjudicating the complaint or delivering resources or support services to the complainant and respondent. The University does not publish the name of complainants nor does it maintain identifiable information regarding complainants in the campus police department’s Daily Crime Log or online.
The University is required by the federal Clery Act to report certain types of crimes (including certain sex offenses) in statistical reports. While the University will report the type of incident in the annual crime statistics report known as the Annual Security Report, the complainant's name or other personally identifying information will NOT be revealed.

The Title IX Coordinator shall make good faith efforts to ensure the confidentiality of the complainant, if requested. The Title IX Coordinator will inform the complainant if confidentiality cannot be maintained based on the seriousness of the complaint. In some cases the University may need to disclose some information about a complainant to a third party to provide necessary accommodations or protective measures. The Title IX Coordinator will make this determination and will explain what information will be shared, who the information will be shared with and the reason(s) for sharing that information. If the University determines that it can respect a complainant's request for confidentiality the University will also take immediate action as necessary to protect and assist the complainant.

When weighing a complainant's request for confidentiality or that no investigation or discipline be pursued, the Title IX Coordinator will consider a range of factors including: the risk the respondent will commit additional acts of sexual or other violence; whether the sexual violence was perpetrated with a weapon; whether the complainant's report reveals a pattern of perpetration at a given location or by a particular group or undue risk of these events. Complainants desiring confidentiality in an investigation will be informed the University's ability to fully address the complaint or remedy the situation may be limited, but where feasible, the University will take reasonable steps to prevent the reoccurrence of the alleged misconduct and limit its effect. If a complainant requests that no investigation occur, the Title IX Coordinator will determine, on a case by case basis, whether the allegations are serious enough to nevertheless require the University to complete an investigation.

The University has procedures in place that serve to be sensitive to those involved in incidents of sexual assault, domestic violence, dating violence, and stalking. These procedures include informing individuals about their right to file criminal charges, the availability of medical, counseling and support services, as well as additional remedies to prevent contact between a complainant and a respondent, such as housing, academic, transportation and working accommodations, if reasonably available.

G. Alternative Resolution Process

After the Title IX investigator is informed of a report of any type of sex discrimination there will be a preliminary assessment of the facts. Depending on the circumstances of the complaint, the parties may be offered the opportunity to engage in an alternative resolution process which may, among other potential resolutions, include:

- Separation of the parties
- Referring the parties to counseling

The alternative resolution process is never an option for cases involving sexual assault. An alternative resolution process is only an option if both the complainant and respondent agree to participate and if there has been an admission of wrongdoing by the respondent. The complainant, respondent and the University each have the right to end the informal resolution process and to proceed with a formal investigation at any time. The alternative resolution process will result in a letter confirming the outcome of the resolution process, whether an agreement is reached or not. If no agreement is reached, the matter may be forwarded to a formal investigation. Any agreement reached during the informal resolution process must be approved by the Title IX Coordinator to ensure the alleged misconduct is not repeated toward the complainant or other members of the campus community. If applicable, any administrative remedies and/or disciplinary sanctions agreed to will have the same force and effect as though they were imposed following a formal investigation and appeal hearing. If both parties jointly agree on an outcome after the alternative resolution process it cannot be appealed to the Resolution Committee.
H. Formal Investigation Procedures

The investigation and following proceedings are part of a prompt, fair and impartial process to address any instances of sexual assault, dating violence, domestic violence and/or stalking. If a formal investigation is initiated, an investigator will be assigned and both parties will be notified of their rights and responsibilities throughout the formal investigation process. In cases involving allegations of sexual assault, domestic violence, dating violence and/or stalking, an explanation of rights and responsibilities, provided to both the complainant and the respondent, will include information or statements regarding the following:

- Information regarding possible sanctions or protective measures the University may impose following the final determination.
- Information regarding the confidentiality of reports.
- The responsibility of both the complainant and respondent to be truthful in the investigation.
- The right to participate in the investigation by providing additional relevant information or potential witnesses.
- The right of either the complainant or respondent to decline to give a statement about the allegations.
- The responsibility not to retaliate against or intimidate any individual who has filed a Title IX complaint or who has participated in the investigation process.
- The right of participants to be reasonably protected from intimidation or harassment.
- The responsibility to keep confidential any documents and materials submitted to and received from the University related to the investigation.
- The right to have a support person/personal advisor present during the investigation and appeal hearing. The support person/personal advisor is a silent observer. The support person/personal advisor may be present at the investigation and appeal hearing but may not speak for or on behalf of the complainant/respondent.
- The complainant’s right not to be disciplined for drug or alcohol offenses for reporting an incident of sex discrimination, sexual harassment, sexual assault, sexual violence, domestic or dating violence or stalking except in extreme circumstances.

After the Title IX Coordinator’s decision to initiate a formal investigation in cases of sexual assault, domestic violence, dating violence and stalking, the investigator will contact both the complainant and the respondent and complete interviews. The investigator has 50 days to complete the investigation unless extended for good cause. If there is an extension the University will promptly notify both the complainant and the respondent and specify the reason(s) for the extension.

Completion of Investigation

Once the investigator completes the investigation, the investigator will make a determination as to whether the alleged prohibited conduct occurred and whether any University policies were violated. A copy of this report will be provided to the Title IX Coordinator. All determinations in the investigation shall be based on a “preponderance of the evidence” standard, i.e. whether it is more likely than not the alleged misconduct occurred. In other words, based on the evidence, the investigator will ask: “is it more likely than not that the respondent violated the University’s Student Code of Conduct?” The Title IX Coordinator will forward the investigative report to the appropriate administrator (if the respondent is a faculty or staff member) to determine what, if any, discipline is warranted. If the respondent is a student, the Title IX Coordinator and Deputy Title IX Coordinator will determine the appropriate sanctions, if any. The determination as to whether any sanctions will issue will be made within 10 business days after the completion of the investigation. The Title IX Coordinator will determine sanctions for respondents who are initially enrolled as students and have obtained employment with the University through their status as a student. Human Resources will determine sanctions for respondents who are initially employed with the University and are taking classes as a student, as a benefit of their employment with the University.

Possible Sanctions/Remedies

If, after a formal investigation, the respondent is found to have violated the University’s Student Code of Conduct the appropriate administrator will determine the most appropriate sanction or remedy. The goal of sanctions is to eliminate a hostile environment, prevent the reoccurrence of the misconduct and to address any effects of the misconduct. The Title IX Coordinator will work with University departments to impose any sanctions or remedies. Such sanctions and remedies could include, but are not limited to, the following: An order for no contact between the parties, academic probation, alternate housing or class arrangements, limitations for the respondent to attend on-campus classes or enter certain buildings, suspension, expulsion or possible termination from the University. Department heads, the Department of Housing and Residential Life and the Title IX Coordinator will work together to make any necessary changes.
I. Resolution Process

In the form of a written outcome letter, the Title IX Coordinator shall simultaneously inform both parties of the results of the investigation. The letter shall also inform both parties of their right to forward the matter to the Resolution Process for review and will outline the process for doing so. The letter shall specify that any disciplinary determination will be deemed final if no request for review is received from either the complainant or the respondent.

Additional review will only be granted if there were any of the following issues with the case: (1) A procedural error in the investigation that substantially affected the outcome; (2) Previously unavailable evidence has come to light that could significantly impact the outcome of the case; (3) The findings were not one that a reasonable investigator could have made and/or (4) The sanctions imposed were not ones that could have been issued by reasonable persons given the findings of the case.

Both the complainant and the respondent have the right to file a request for review under this policy. The request should be filed in writing and should be received by the Title IX Coordinator/Deputy Title IX Coordinator within 10 business days after the date the student received notice of the outcome of the investigation. The request should also state and explain the basis for challenging the decision and include any information or evidence underlying that basis. For example, if a student believes they are entitled to additional review of the matter due to new evidence being discovered which was previously unavailable, the student must provide copies or a summary of the new evidence at the time the request for review is made. The request for review will be considered by three (3) impartial members of the Resolution Committee (see below paragraph for more details regarding committee members). If the Respondent is an employee of the University, the request for review will be considered by the Department of Human Resources. Review under the Resolution Process will only be granted if the request meets one of the four requirements listed above.

If the request for review meets one of the four requirements outlined above, a hearing before the Resolution Committee will be granted and a Resolution Committee, consisting of three representatives from any of the following Departments: Human Resources, Student Affairs, the Department of Student Academic Support, Housing and Residence Life and Athletics, will be convened. One of the Committee members will serve as Chair and will lead the proceedings. The Committee will hear the matter within 20 business days of the request for review. The Title IX Coordinator will also be present but will not participate in the committee’s decision. These individuals will receive initial and subsequent annual training on the issues related to domestic violence, dating violence, sexual assault, and stalking as well as training on the investigation and hearing process and how it protects the safety of the complainant and promotes accountability. This training, conducted via webinar, will include information on how relevant evidence should be used during a proceeding, the proper techniques for questioning witnesses, basic procedural rules and avoiding actual or perceived conflicts of interest. The Title IX Coordinator shall serve as the hearing coordinator and will handle any logistical issues and maintain documentation of the hearing.

1. If a hearing before the Resolution Committee is granted, the complainant and the respondent shall each have the opportunity to attend the hearing. The hearing will be closed to the general student population and public.
2. If either party makes a request and is granted review by the Resolution Committee, both parties are entitled to a copy of the investigator’s findings and will be provided timely notice of the date of the hearing.
3. The complainant and the respondent each have the opportunity to be afforded a support person/personal advisor of their choice, at their expense, at any stage of the process and to be accompanied by that advisor at any meeting or hearing. An advisor may only consult with and advise his or her advisee. An advisor is not permitted to speak for or participate on behalf of the advisee at any meeting or hearing. The support person/personal advisor who attends shall not be an attorney in cases involving employees or employment matters. In other cases, an attorney is permitted if there are special circumstances as determined in the sole discretion of the Title IX Coordinator.
4. Each party will be able to present relevant evidence and witnesses. The Resolution Committee can choose to exclude any witnesses or evidence it deems irrelevant. Formal rules of evidence will not apply. Any questions posed to witnesses must be submitted to the Title IX Coordinator in writing one week prior to the hearing. The questions submitted for each witness will be asked by the Resolution Committee members only. The University will make any and all necessary arrangements for victims of sex discrimination, sexual violence or stalking to ensure their safety and to avoid any undue emotional distress. Either the complainant or respondent may choose not to participate in the hearing process.
5. The Resolution Committee will review the information presented at the hearing as well as the information provided in the investigation. At the conclusion, the Committee will make a decision whether to overturn or uphold the findings in the investigation using a preponderance of evidence standard.
6. The complainant and the respondent will be notified simultaneously in writing of the outcome of the Resolution Committee’s decision, as well as any changes to those results or disciplinary actions prior to the time that such results become final. The Resolution Committee’s decision will be final.
7. Compliance with these provisions does not constitute a violation of section 444 of the General Education Provision Act (20 U.S.C. 1232g), commonly known as the Family Educational Rights and Privacy Act of 1974 (FERPA).
Extension of Timelines
Any timelines included as part of the formal investigation or resolution process may be extended for good cause. If there is an extension of any timelines the University will promptly notify both the complainant and the respondent and specify the reason(s) for the extension.

J. Tips for Bystander Intervention
Everyday there are multiple situations where we can be active bystanders. When we witness comments or jokes about rape, media examples that depict violence as normal, and abusive behaviors we have the opportunity to intervene by reinforcing positive behaviors BEFORE a behavior moves further towards sexual violence.

1. Consider whether the situation demands action.
2. Decide whether they have the responsibility to act.
3. Choose the form of assistance to use.
4. Understand how to implement the choice.

There are a number of ways you can implement your chosen response. It could mean helping the person leave the situation, confronting a specific behavior, diffusing a situation, or calling for support. Other supportive bystanders could include security, police or other bystanders.

K. Sex Offender Registration
Sex offenders are required to report to the San Francisco Police Department. Information on the location of sex offenders in California can be found on the Megan's Law website: http://meganslaw.ca.gov/.

L. Timely Warning Reports Policy
The University has a Campus Safety Mass Notification System. This complex and sophisticated system relays messages by means of computer, text message and TV monitors for making Timely Warning Reports to the Campus Community when a crime occurs on or off campus that is considered an ongoing or continuing threat to students/employees. The contact person for the Timely Warning Reports is the Vice President of Campus Safety and Lab Resources, Michael Petricca. Warning messages will be communicated to students and staff through the use of the 32” flat screens which are located in high visibility/high traffic areas throughout the University.

The University will also disseminate the timely warning reports through the use of text messages to students and employees of the University. A special broadcast email may also be sent.

M. Victim/Informational Resources
What should I do if I am the victim of sexual assault, domestic violence, dating violence or stalking?
Call 9-1-1 if you are in the midst of any kind of emergency, immediate harm or threat of harm. If you have experienced sexual violence (e.g., rape, acquaintance rape, dating violence, domestic violence, or stalking), you are encouraged to seek immediate assistance from police and healthcare providers for your physical safety, emotional support and medical care. San Francisco Police can escort you to a safe place and transport you to a hospital or a sexual assault response center for a medical examination, if needed. San Francisco Police can also provide access to a confidential sexual assault advocate. If you would prefer not to notify the police, you are strongly encouraged to seek assistance from the campus Title IX Coordinator who can provide you with information on your options, rights and remedies, and/or a sexual assault counselor or advocate. The campus Title IX Coordinator is available to assist you in notifying the police, if you wish. The sexual assault counselors and advocates listed below can also assist you in notifying the police and/or the campus Title IX Coordinator.

You have the right to decide WHO and WHEN to tell about sexual violence. However, it is very important that you get confidential medical attention after being assaulted. Following the incident, you may be physically injured, there may be a chance you contracted a sexually transmitted disease, or that you may become pregnant.

UNIVERSITY DISCIPLINARY PROCEDURE

GUIDELINES

Campus Security, the Office of Educational Services, and Department Directors, may conduct investigation or intervene in a disciplinary incident. These bodies may elicit the guidance and support of anyone they deem necessary to understand the scope of the alleged violation and/or to explore appropriate responses to said violation.

Student behavior found to be in violation of any published Academy of Art University policy, rule, or regulation, including the Student Code of Conduct, will result in disciplinary action, up to and including dismissal from the department and/or University. Disciplinary sanctions can be imposed on applicants, enrolled students, students between academic terms, graduates awaiting degrees, and students who withdraw from school while a disciplinary matter is pending.

PROCESS

Alleged violations of the Student Code of Conduct may be reported to the Department by an instructor, staff, security, or a fellow student and this incident/behavior will be officially documented. If the matter in question constitutes a potential violation of the Code of Conduct the student will be asked to meet with the Department Director for a Conduct Meeting. The Department Director will conduct an investigation and determine the appropriate action to be taken. After meeting with the Department Director the student may be found not responsible for the incident/behavior in question. Informal action may be taken, formal action may be taken, or the student may be referred to the Office of Educational Services.

If referred to the Office of Educational Services, the Office of Educational Services will outreach to the Department Director or Director of Campus Security and conduct a subsequent inquiry and collect any relevant supporting evidence. After an investigation of the alleged incident/behavior, the Office of Educational Services will determine the appropriate action to be taken. The student may be found not responsible for the incident/behavior in question or formal action may be taken. Should formal action be taken, the student will be notified in writing of sanctions imposed.

SANCTIONS

During the disciplinary process, every attempt will be made to foster student learning through a system of appropriate and escalating consequences. Student may be subject to the following sanctions and penalties as part of the University disciplinary process:

- **Warning**: Students will be placed on behavioral probation. Violation of behavioral probation will result in immediate suspension.
- **Suspension**: Termination of student status for a specified period of time, including an academic term or terms with reinstatement subject to specified conditions; further violations of school policies or violation of suspension may cause for further disciplinary action, normally in the form of dismissal.
- **Dismissal**: Termination of student status at the University.
- **Restitution**: Reimbursement for damage to or misappropriation of school, University, or private property; may be imposed exclusively or in combination with other disciplinary actions. Such reimbursement may take the form of monetary payment or appropriate service to repair or otherwise compensate for damages. Restitution may be imposed on any student who, either alone or through group or concerted activities, participates in causing the damages or costs.

**WARNING**: Written notice to a student that continued or repeated violations of specified school policies or campus regulations may cause for further disciplinary action. A permanent record of the violation(s) will be retained in the student’s file.

APPEALS PROCESS

A student has the right to appeal the decision of a Department Director to Executive Vice President of Educational Services if:

- Additional relevant information has become available since the initial decision that is sufficient to alter said decision.

The student will be notified in writing of the final decision.
