The Academy of Art University provides its own private Courtesy Shuttle to provide free, reliable transportation to specific times and are not intended for general transportation. The shuttle operates on a fixed route around the campus, and there is no need to reserve a ride. The shuttle route is depicted on a map, and there are stops at various locations on campus. Each route is represented by a letter (A, B, C...), and signage is clearly displayed on the front and sides of the shuttle. The shuttle provides a reliable and convenient way to travel around the campus without the need for personal transportation.
